REC. 19. AUG 07

No. 29649

(Subject.)

Nairobi Incident

As Grogan has expressed regret & others have with a view claim for damages & they have all engaged to refrain from taking any action on acct of flogging incident I propose to close the subject to Mr. Grogan's apprehensions, by with warning on ahead.

I recommend the adoption of this course & shall be glad to receive an immediate reply.

(Minutes.)

Mr. Read

One is tempted to embrace this proposal at once as an easy way out of the difficulty.

But unless Grogan's present friendly attitude is made clear to his supporters, there is some danger that they will consider that the Govt. by the decision of the High Court of the details

of which they will not read
 or understand) has been
 held to be in the wrong, &
 that similar acts of Lynch
 law may be perpetrated
 with impunity in future
