The Governor of East Africa telegrams to the Secretary of State for the Colonies.

Received, Colonial Office, 9.50 a.m. 29th November 1907

(Paraphrase) Annual to No. 11, 20th November

At the terms of the draft lease, which Chamberlain has always stipulated, include the right to acquire 10,000 acres freehold. I advise that this be given him without attempting negotiation.

Pleaser has been amenable throughout and should I consider, be offered the same terms without waiting for him to apply. It is necessary for every reason that the two should be treated similarly, and the concession to the former is less marked if we treat the two cases together.
