British East Africa

As requested by you at our interview of  
yesterday I now have the honour to submit  
details of the information I require in order to  
enable me to lay the scheme before a financial  
firm who have quoted me to furnish proof  
of the Government's readiness to enclose the  
necessary funds & to pay on payment at your  
office of the amount stipulated viz £1000-  
Without this assurance from you I find  
it impossible to gain the attention of  
any financial Institution

376-15

I hold an option duly registered in the Land  
 office, Nairobi which gives me full power to  
 deal with Messrs Ringer & van Praag's concession.  
 It is essential that I should produce some  
 definite documentary evidence <sup>regarding the terms of Ringer & van Praag's</sup> <sub>concession</sub>  
 of the next few days & I shall be  
 extremely obliged if you will expedite this  
 matter as I am most anxious to return  
 to British East Africa with as little delay as  
 possible & personally superintend the development  
 of the concession.

Should you be unable to render me any  
 assistance in ~~without~~ communicating with the  
 Land Office, Nairobi I am prepared to  
 pay the cost of calling for the information.

I have the honour to be  
 Yours faithfully  
Charles Selley
