Mr Harris

I have discussed this with Mr. Lead, & more particularly with Mr. Strachey.

There seems to be nothing against him, except his rather precipitate resignation from S. Africa, on (he stated) doctor's advice.

The reports on his military service with the B.S.P. are most favorable. See also 24955.

He has already had an A.D. Col. in S. Nigeria. Of course if he were offered another he would have to be medically examined; Mr. Strachey points out

that he would have to begin again at the bottom  
of the list.

His name will be added for course for  
as an A.D. Colby in S. Virginia or other  
suitable places as they occur  
and Mr. Hunter should note
