I wish they would hit by so
much & stop upon the number
of sheep and cattle captured.
They have now put this before
the n. of men killed.

M. Feb 1

I think we should telegraph.

I do not like the tone of these reports. No doubt the
clans should be punished; but 160 have now been
killed outright without any further consultation on our
side, & moreover the main body has not yet been
encountered. See further telegram. It looks like
a reference, & it is the H. H. get hold of it all over

next subsequent Paper.
