## Paraphrase

Telegram:

The Governor of the East Africa Protectorate to the  
Secretary of State for the Colonies

(Received Colonial Office, 3.15 p.m. 25th March, 1908)

**PRINTED FOR PARLIAMENT**  
C.I. 4122 JULY 1908

24th March, Conduct of Lord Belamere and Mr. Baillie  
in connexion with proceedings reported in my telegram  
of today is in my opinion so serious and so gross an  
insult to this Government and His Majesty's representa-  
tive that I have suspended both of them, under section  
18 of the Royal Instructions, from their duties on  
the Legislative Council. In informing them of this I  
have added that I am recommending the removal of their  
names from the list of unofficial members and that if  
they think fit to send me any explanation I shall be  
happy to submit it in forwarding that recommendation.

is based, is out of date & belated.  
Mr. Baillie in connection with proceedings  
reported in my telegram of today is in my  
opinion so vicious and so gross an insult  
to this Government and the <sup>representatives</sup> <sub>agents</sub>  
that I have suspended both of them, as  
under section 18 of the Royal Instruction  
from their duties on the Legislative Council.  
In informing them of this I have added that  
I am recommending the removal of their  
names from the list of official members  
and that if they think fit to make  
any explanation I shall be happy to  
about it in forwarding that recommendation.

It seems that Mr. Hayes  
had his second telegram (which  
was about 6.30) before receiving  
before our appearance at  
last Sylva yesterday had  
been defeated. -  
So I only propose two  
more telegrams unanswered.

rehand your telegram No. 83 hand 2<sup>nd</sup>

Dear Sirs if later regulation  
is adopted by the Government  
and necessarily conflict you  
may of course consider modifications  
as to details and then would  
be a paper subject for discussion in the  
legislative council.

MS. 25.3

I do not think the telegrams is quite clear  
as it stands. It will be unfair & allow a  
discussion of the whole subject, including the question of  
its acceptance in the Legislative Council. But I do not object  
that the Council shall discuss the modification in detail

March 25<sup>th</sup>

With reference to your telegrams of March  
23<sup>rd</sup> no. 63 and March 24<sup>th</sup> you will of  
course take such measures as may be necessary  
to safeguard yourself and his reputation  
from organized demonstrations of meeting  
and disorderly character.

It appears to me that the conduct of Lord  
Delanore and Mr. Baillie in taking part in  
such a demonstration is incompatible with  
their position as members of the Legislative  
Council, and I fully approve of your  
action as described in your telegram of  
the 24<sup>th</sup>. I shall be glad to consider  
any explanation of their conduct  
when they may give it.

Very truly yours,  
John L. Ward.
