Land Tenure

Enquires whether statement in footnote
 to Mr. Churchill's minute of 13th 12 resp. exemption with
 regard to a second holding has been embodied in
 Land Code; whether it is appl^{ca} wd be universal.

(Minutes.)

Mr. Antadus
 I do not think that the
 footnote^x referred to, parents
 Mr. Churchill's considered judg-
 ment in this matter
 Par 9 of our despatch of 19th March deals
 with the conditions on which a
 lease may be granted his title right
 depending within 5 years of times
 thereon or improvements. That is no
 consideration that if a lease had
 more than one farm (which would
 not normally be the case) he would
 be exempt from the obligation to
 develop them both.
