Sir,

I have the honour to transmit to you herewith
a copy of a letter which I have received from
Dr. Offmann accepting the offer contained in your
despatch No. 452 of 12th ultimo.

I have, as instructed, informed Colonel Sadler
of his acceptance, and that I presume that as no
mention was made in your despatch under reply of
pension his is attached to Dr. Offmann's temporary
employment, that gentleman's service will only count
for pension from the date at which he is absorbed
into the permanent staff, should this take place

Yours

Principal Secretary of State

for the Colonies.

Sir,

I have the honour to acknowledge the receipt of your letter of 7th instant with reference to my application to be appointed a Medical Officer in the Protectorate service.

In reply I have the honour to state that I am willing to accept engagement as a temporary Medical Officer on the terms mentioned in your letter, in the hope of being permanently taken on in the Medical Staff afterwards, in which case I suppose my three years service would count towards pension.

I shall be prepared to commence my duties on November 22nd.

Yours etc., etc.,

Sd/- K.H.H. Hoffmann.

M O M T A S A .

on the expiry of his present employment.
