It is not the case that Col. Patterson was  
sent out to "superintend" the General. He was  
appointed to an office under Mr Percival but then  
he had to receive but that is all.

The Secretary of State,  
Colonial Office,  
S.W.

My Lord,

I have the honour to call the attention of your Lordship - which I omitted to do in my letter of the 31st August - to that part of the minute of the Lieutenant Governor of S.E.A. in which he states, "I have therefore drawn up, in conjunction with Mr. Percival" etc.

I very strongly object to this proceeding. Mr. Percival is my subordinate and I was sent out to East Africa to supersede him. It is most improper, and subversive of all discipline, that he should have been called upon to assist in framing a case against me by drawing up a hypothetical estimate after the event.

I am, my Lord,

Your most obedient servant,

*W. H. Murray*
