Mr. Fildes
The recommendation as to Lord
Delamere chimes in with the trend
of the minutes on Gov, and steps might
now be taken to appoint him to the
Council. We had being informed by
telegraph that this is being done.

Sir P. G. wishes the appl. of
Mr. Fildes to be postponed till he has
been able fully to appreciate the position.
Unfortunately it was announced in
the Gazette of the 1st inst. that the
King had been pleased to give direct

for the appt, so that postponement is impossible. We had better tell the Govt. this by telegraph. The question of appointing a representative of the Asiatics was carefullly considered, and the intention was public property for a year before the appt's notification appeared in last Tuesday's Gazette.

Paraphrase of Telegram.

From the Governor of the East Africa Protectorate to
the Secretary of State for the Colonies.

(Received, Colonial Office, 4.44 p.m. 23rd September, 1909)

4/2/348

I recommend the appointment of Lord Delamere
to the Legislative Council, but with reference to your
despatch No.508 of the 25th August I earnestly request
the postponement of this appointment until I have been
able fully to appreciate the position. It will most
certainly lead to a legitimate demand on the part of
the Arab and Swahili community, who are our oldest
native subjects, and who out-number the Indians by two
to one. May I point out that the term "Indian" embraces
thousands of Goanese who are not even British subjects.
