Postponement was necessary so long as there was any possibility of the amalgamation of the E.A.P. & Uganda under one Cap in the near future. That possibility has been deleted for the present by the

apt. of Capt. Cordes as Capt of a party
for two years. In the circumstances, I
think it would be a distinct hardship
to Mr. Tomkins, if we delayed any
further the consideration of his strong
claims to the post of Chief Secretary
to the Govt.

Proceed as proposed on $\frac{B}{3227}$?
