Sir,  
 I have the honor to  
 report that I have to-day  
 examined Captain C. A. Birch  
 and that, in my opinion, he  
 is physically unfit for  
 service as a Collector in  
 the East Africa Protectorate  
 because of repeated severe  
 attacks of Blackwater Fever  
 on the West Coast of Africa.

I am,

Sir,

Your obedient servant.

H. Gross, Esq.

Mackinac Island or [unclear]

Michigan County -

There is absolutely nothing

in common between

Mackinac and [unclear]

Fever -  
Of this you have seen  
Each case must be  
treated as a  
fever.

It is a  
fever of the  
urinary system  
and must be  
treated as such  
You may take it that which it may have  
only a backwater from damaged  
secretory or a high also counts  
the same case as in the  
backwater

It is a  
fever of the  
urinary system  
and must be  
treated as such  
depends upon the  
urinary capacity  
than the extent to  
which it may have  
damaged  
also counts  
the same case as in the  
backwater
