Banking Agreement

Bank comes with Red Bank of India req. proposed amendment of Section 10 as to provide for local transfers to the fact at para. 8 and 16 by insertion of words "a branch" at the end of the phrase.

W. P. 7/10/11

I am ~~not~~ surprised that the Bank did not accept the first proposal outright.

As for the second, they are willing to alter to section 16 of the agreement by adding the words "a branch". This is an addition which is not likely to be called into play, at least ~~at~~ ⁱⁿ the near future, but in view of the uncertainty whether the proposed modification of section 10 will be agreed to by the Bank I do

not think that the accepted modification
of sec 18 should wait.

Tell the C.G. to have the
modification of sec 16 made forthwith,
that the B. of B. will await a further
communication from the Board as to
sec 10, and that the C.G. will
of our correspondence with the C.A. on
12 for information
