Improvement of Helendun Customs House

States increased steamship service renders the - urgently necessary Requests sanction to exp^{ts} of £500 Ample funds are available from surplus Reg will show a profit of £4000 instead of a loss of £19000

(Minutes)

Mr. Read

Helendun is of course the port on the merchandise of the Chamber. The idea that the savings on last year's estimates are available for coffee this year is hardly credible

But, send copy to Treasury accordingly the coffee

six or seven large mail steamers that call at Kilindini land on an average five hundred Europeans a month, and although these people are only passing through, they are all obliged to stop in the Customs, and each one is more or less an advertisement for the Protectorate...

As much (being) available from our surplus - the Railway for Assistance will show a surplus of four thousand pounds instead of a deficit of ten thousand pounds - I trust that you will sanction the repairs asked for. The following estimate is submitted as absolutely necessary by the Director of Public Works:-

Drainage	£ 250
Fencing & Gates	£ 170
Painting & Repairing	£ 50
Lighting And Baggage Room	
	<u>£ 470</u>

I have the honour to be,

Sir,
