Proposed visit of Aga Khan to India & Africa

See 2 English Khoja Merchants of Bombay to bring Aga Khan to visit Hongkong. His last visit resulted in many loss of interest out of the town - was followed by many feet

(Mission)

2. C. White in his book 'Leaving of the Coast of India' says 'Many belong to the Khoja community. The head is the Aga Khan, who resides in Bombay on the occasion of his visit to collect money. I went to the London Office of the Political Secretary. He says the Aga is a very large man with a beard like Howard's and of his out also in India who are found in India & Persia & Arabia but
