Sir:-

I honour to enclose herewith a copy of an application and covering letter received from the Postmaster General at Pietermaritzburg in regard to the candidature of Mr W. J. Evans of the Natal Post Office for service in this Department. There is at present a vacancy for a Postal Clerk and Telegraphist on scale £.150 x £.5 to £.200 per annum to which I propose that Mr Evans should be appointed. Owing to the present serious deficiency of skilled staff I should like, in the event of your approving of this appointment, to cable to Pietermaritzburg requesting that Mr Evans should leave by the next steamer.

I have the honour to be,

Sir,

Your most obedient,

humble Servant,

(Sd) J. GOSLING.

Sir,

I have the honour to forward the attached application for employment in your Administration from Mr. W. J. Evans, an Established Clerk in my Department. Mr Evans is 22 years of age, unmarried, and is qualified telegraphist.

I recommend his application for favourable consideration.

The Postmaster General,

I respectfully beg to apply for a position
as Postal or Telegraph Clerk in your Administration.

I have had eighteen months Telegraph Service
under Imperial Government and four years appointed
service as a Postal and Telegraph Clerk in Natal.

Should my application be granted I should
be glad to know the rate of pay and conditions of
service in your Administration.

Your obedient Servant.

GENERAL POST OFFICE,

In any further correspondence on this subject
the above number should be quoted.

MOMBASA.

Dated **5th August 1906.**

Sir:-

In continuation of my letters No.27 of the 9th ultimo (informing you of Mr. H. Oliver's resignation) and No.30 of the 12th of July (recommending Mr. W. J. Evans of Natal for appointment as Postal Clerk and Telegraphist vice Mr. Oliver) I have now the honour to recommend that Mr. G. P. Lewis, a Postal Clerk and Telegraphist of this Department, be promoted to the vacant appointment of Postmaster, salary £.200 x £.10 to £.300 per annum, which it was originally proposed to confer upon Mr. Oliver, vide my letter No.10 of the 18th of May last.

2. Although Mr. Lewis has only 8 months service with this Department he has been continuously employed in Post and Telegraph work since 1899, and his experience is generally superior to that asked for in the case of candidates for appointment to his present grade of Postal Clerk and Telegraphist. He is, moreover, nearly 27 years of age and is probably quite well qualified by age and experience as any Officer of the Imperial Post Office would be likely to apply for the post. Mr. Lewis' work has been done under my personal observation

Majesty's Deputy Com. and
East Africa Protectorate,
MOMBASA.

and in recommending him for promotion I am satisfied that I have selected not only the eldest and most experienced but also the most capable of the present staff of Postal Clerks and Telegraphists.

I have the honour to be,

Sirs;

Your most obedient,

humble Servant,

(Sd) J. GOSLING.
