REPLY-I, EAST AFRICA PROTECTORATE.

As directed by the Board of Education to acknowledge  
the receipt of the letter, dated 11, from Mr. Antrobus,  
and to reply for the information it contains.

After comparing the conditions attached to the post  
office mistress duties to be done at Nairobi with those  
of other African colonies and with regard to the  
salaries of the members of the present staff of the School,  
it is suggested that the candidates should be  
allowed a salary of Rs. 100 per annum, it being understood that  
the same allowed Mrs. Reid from the fact that she is  
married. The suggestion is based on the fact that  
in similar cases, the teacher selected  
should receive a free passage from her home to her destination.

Would the mistress, like candidates selected for some

and directed by the Board of Education to acknowledge  
receipt of the letter, dated June 11, from Mr. Anthonis,  
and to thank you for the information it contains.

After comparing all the conditions attached to the post  
of Undergraduate Mistress in the School at Nairobi with those  
obtaining in other African colonies and having regard to the  
salaries paid to the members of the present staff of the School,

the Board has to suggest that a suitable candidate should be  
offered a salary of Rs. 150 per annum, it being understood that  
this being allowed, the Board would have to provide  
board, and this suggestion is based partly upon the  
amount of Rs. 150 as in similar cases, the teacher selected  
receives a free passage from her home to her destination.
