(Minutes.)

Mr. Read
The annual combination, which is being formed by the E. A. Staff.
Capt. Dinspector called on me with a Mr. Guich his solicitor & a Mr. Wells his financial adviser. They explained to them that we had not received a copy of the lease actually granted them, but that if he liked we could let him have a copy of the draft lease which we had sent him in our letter of the 11th May (1906) and it be followed up with a receipt for the assignment of timber rights.
Read him accordingly.
