

H. L. must await the receipt of the report on the forest for which he has asked before deciding on the proposed amendments of the terms of the lease.

With reference to the 2nd par of your letter I am convinced you that under the existing laws, the rights of the lessees are inflexible & beyond all question referred to the collection further.

Resignation

Adheres to decision. Inquires whether Govt will allow him part or the whole of his expenses from Mactabas to Coast and from there to Eng^d.

(Minutes)

Mr. Board. Antwerp.

Mr. Shill resigned his appt. & came home after 6 months service. He is not entitled to any portion of the his expenses on coming home, and I think that is to be any indulgence which might be shown in consideration of his Shill's health will be shown sufficiently by not calling upon him to refund the cost of his original passage out (appt. April 1903). I refer to the expenses incurred on his return to England & maintenance of his family.

Mr. G. J. ...
Private Secretary

A vacancy exists, through the
death of Mr. ... from an Asst. Collector
in the West Africa Protectorate with
salary at the rate of £1500 a year
and free quarters.

W. H. S.

Mr. Reed

This has been partly delayed through
Easter holidays and I have been anxious
to do some more work before I start
before you finally the following lines.

Mr. W. F. Scheldahl, late Native
Commissioner in the Transvaal - A good
man with 25 years experience and
in 1898 he joined the Bechuanaland
Border Police in 1894 became a Resident
Magistrate in the Bechuanaland Protectorate
in 1897. He served through the S. A. War and
was made a Native Commissioner in the Transvaal
in 1902 - only to be "retired" in 1904.
He has good testimonials from his
and other people of experience which have
constantly been brought to my notice.

Mr. Reed, a Lieut. in the 15th Lt. Col.
Regt of the W. A. F. - Age 37 - single. A
Canadian - served for 11 years in the Bank
of Toronto joined the W. A. F. in 1903.

8039/15

He is coming with a the Gold Coast -
but on looking again into his reports I
found them that there is much to be
learned from them that has not been
under review for the W. A. F.

Lieut. J. W. Bourne, S. A. Constable
Age 28 - single. For 4 years in the Nat.
Bank of S. Africa he was employed in
the War essentially was employed in
the S. A. Constabulary, where he is now
serving. Recommended as a "zealous
hardworking conscientious officer" but
not thought by Col. Nicholson to be
capable of "much independence of action."
Mr. H. F. Wilson several times pressed him
upon my notice.

I have taken these names in the matter
of the Transvaal only because I had
previously met Mr. Scheldahl and
thought them suitable but mean in conflict
with the Transvaal. I therefore by special
order in his application. The difficulty to
my mind, is that he is a man who has held
such a high position in the Transvaal.
On the last occasion of a vacancy there
was no result in some taking another
man. But now that you have seen
him I think you agree with me that
he is rather an exceptional candidate
that he quite realizes the position.

W. H. S.

and I think it will be in the interests
of the Union to select him

It is hard to believe that
he will be satisfied, but I
think that he should be
