Sir:-

With further reference to your letter numbered 24930/1906, I have now inspected the photographs, and am desirous of reproducing in my article those specified in the attached list. It would greatly simplify matters if I might have the loan of these albums for two or three days, but I might have them copied. I can, of course, send a photographer to the library, if this be an indispensable condition.

I have the honor to be,

Faithfully yours,

The Under Secretary of State,
