Re. re also 27720. If clause 20(1) of the 1902 Order did not save the provision for a Sessions Court in the Orders of 1897 & 1899 which it repealed I take it that the Commissioner having been made a Sessions Judge in 1901 has nothing to do with the case.

I do not know how much of the tel. in 16675 & of this should be communicated to the Solicitors. It can be done in writing on 27629
