Commissioner

Nairobi,

April 18th 1907.

ALGERIA PROTECTORATE

My Lord,

With reference to Your Lordship's despatch

No. 184 of the 18th ultimo I have the honour to suggest
that publicity may be given to the fact that only 100
short-term licences will in future be issued in any
one year.

The "Field" would probably be the best medium
for ensuring that such an announcement would reach the
class of reader for whom it is intended, and the
Society for the Preservation of the Wild Fauna of the
Empire will like to take the matter in hand.

In this connection I should be much obliged for

Principal Secretary of State

for the Colonies,

Downing Street,

LONDON, S.W.

in favour of Your Lordship's decision respecting the
alterations in the schedules to the Base Ordinance
readily assented to by Colonel Sadler in his letter
of September 28th.

I have the honour to be,

With the highest respect,

My Lord,

Your Lordship's most obedient,

humble servant,

Acting Commissioner.

Col. S.P.

I am directed by the
 Earl of Eglar to inform you
 that his attention has been
 drawn to the great increase
 during recent years in the number
 of shooting parties which visit
 the S.A.P. and the consequent
 danger that many of the
 rarer varieties of game in
 the country may be
 exterminated.

His Lordship has accordingly
 decided that the number of
 sportsmen's licenses issued in
 any one year shall be
 limited to 500,
 and he will be glad if the
 fact can be brought to
 the notice of those interested
 in the matter through the
 medium of the Field.
