Commissioner Sir Donald Stewart to Mr. Lyttelton
(Received, Colonial Office, 11.50 a.m. 9th September, 1905)

No.177.

32306

My telegram 176 ordinary vote of £1,000 for epidemics is half exhausted and balance inadequate (to) meet expenditure in connexion with outbreak of plague. Request permission to spend whatever is necessary for preventive measures. If plague spreads £2000 will be probably required for camps, etc.
