No. 271

My Lord,

I have the honour to recommend that the appointment of Deputy Conservator of Forests at a salary of £400, for which provision has been made in the sanctioned estimates for the current year, should be conferred upon Mr. Battiscombe, who has been acting as Conservator of Forests since the departure of Mr. Linton.

His work has been very well reported upon by the Commissioner of Lands and for some time past the whole responsibility of the Forest Department has fallen upon his shoulders.

It will be noted also that Mr. Hutchins, the newly appointed Conservator, intended him to be his Deputy Conservator, and that your approval will be required.
