The proposal that the office should be made  
permanent, & that with salary of more  
than Rs 100 / m per month, on  
engagement of the S.P.C. & that  
these books will not count for  
seniority. It is not stated on

what terms they are to be provided.  
But I suppose the schoolmaster  
at Rs 250 shd. be treated as an  
"officer" & the others as subordi-  
nates of the different schools  
of seniority & leave for the latter is  
to continue. Recommend this

to Treasury, & when we write  
to the Post agree that the S.P.C.  
in lieu of Provident Fund paid  
in case to the Hindustani  
Master who is serving under an  
agreement shd. be covered.

My Lord,

I have the honour to transmit herewith a copy of a letter from the Treasurer respecting the nature of the appointments held by the Staff of the late Railway Schools, which have now been separated from that Department.

No. 171/62

I should be glad to receive Your Lordship's decision on the recommendations made by Mr. Bowring, which I beg to support.

I would also enquire if you approve of the back service of the School Staff in the Railway Department being counted toward pension.

I have the honour to be,

With the highest respect,

My Lord,

Your Lordship's most obedient,

humble servant,

The Treasury,

Mombasa, 22nd July 1907.

Mombasi No. 571/07.

Sir,

I have the honour to inform you that, in connection with the transfer of the management of the Mombasi schools from the Railway Department, the question of the Provident Fund allowance which is payable to the Staff comes up for consideration.

It is assumed that the Schools have been transferred to the Railway the Staff will be governed by the Railway Protectorate Regulations which provide for a gratuity in which case the allowances will naturally cease.

Pending a decision on this point the allowances are being continued but I would suggest that the matter be referred to the Colonial Office and authority obtained for making permanent

To Hon'ble the Ag. Senior Commissioner.

N. A. I. D. B. E.

permanent appointments, on Rs.100 and over, pensionable and other permanent appointments subject to the Gratuities Regulations as from 1st April 1923. If this is sanctioned recovery will be made of the Provident Fund Allowances paid since that date.

I find that the Chief Accountant has been paying Provident Fund Allowance to Miss Adamson the Kindergarten mistress. As Miss Adamson is on a special Protectorate Agreement for 7 years in which conditions of service are clearly defined I do not think that this allowance should have been paid and I would recommend that all payments made to her on this account be recovered from her.

I have the honour to be,

Sir,

Your obedient servant,

34/ C. C. Bowring.

Treasurer.
