WORLD'S SPEED RECORD BROKEN BY Shell Petrol & Shell Oil

Ordinary grades from public garages

On 27th April 1926, at Pendine Sands Mr. J. G. Parry Thomas beat, by miles per hour, all records ever made by others.

In this remarkable performance, Mr. Thomas used standard grades of Shell Motor Oil, and Shell Petrol exactly the same as offered every where to the public. The petrol and lubricant were purchased from a local Garage under the supervision of the R.A.C.
