> Its Performance Is Little Short of Amazing

# BUICK

Gilfillan & Company, Ltd. T R I B U THE REPORT OF THE PROPERTY OF

AS soon as you take the wheel of the new 1926. Standard Buick Six—you feel its amazing performance.

The way it accelerates a new nimbleness – a silent speed on the open road —a resistless power on hills.

You will delight in the instantaneous but velvety action of Buick four wheel brakes—and take comfort in their dependability and the extra safety they provide.

A petrol consumption from 22 to 25 miles per gallon—unparalleled economy in a motor developing more than 56 actual h.p. This great car has written a wholly new page in motor car achievement. It has taken every motoring country in the world by storm.

Come in and we will let you drive this remarkable car.

Come in with an open mind and the performance of
this car in your hands will convines you that you cannot begin to buy its equal anywhere else.

### Desires to Announce

—that out of a seventeen-year experi-ence of the designing and building of fine motor cars has come an entirely new six cylinder motor car - a Hupmobile.

To members of the great and growing Hupmobile family, to experienced motorists who are familiar with Hupmobile traditions, this announcement will prove most satisfying.

For they have awaited a Six built with all the natural mechanical attributes of the six cylinder engine, fully and completely developed and perfected by the brilliant engineering that has ever been exemplified in all Hup-

### THE NEW CONSTITUTION RUMOUR.

To the Editor, "E. A. Standard." Sir.—In your issue of July 5 I note a paragraph with reference o a new constitution for Kenya. In my private letters from Eng-and, this is freely mentioned the new constitution to include as usofficial majority in the Legal-lative Councit, as usual, it appears that those most congerned, are that those most opportuned, are the last to hear of what is of vital importance to them.

July 6, 1926.
[We would refer our correspondent to the answer given by the Secretary of State for the Colonies to Ser R. Hamilton in the House of Common June 7. Mr. Amery denied any knowledge of proposed constitutional changes.—Ed. A. A. 28

The market is quiet with a slightly lower value. A parcel of 100 tons of East African would possibly obtain a bid of £15 per ton c.i.f. U.K. ports.

Weakness in other Od Seeds have had its effect in East African Castorseed, and £14 to £15 in the limit a fairly large parcel would obtain to-day.

There is no change to report. The tone is steady but quiet Supplies are not easy to obtain it the more distant positions, for which the demand at the present is mostly confined, the prices bein normally £43 per ton e.l.f. Continent for No. 1 East African and £40/10/- for No. 2 of good marks.

MAIZE. The market remains ateady with a firm tone at 31/- per quarter c.l.f. UK/Continent, July/August shipment.

### Desires to Announce

—that out of a seventeen year experi-ence of the designing and building of fine motor cars has come an entirely new six cylinder motor car - a Hupmobile.

To members of the great and growing Hupmobile family, to experienced motorists who are familiar with Hup-mobile traditions, this announcement will prove most satisfying.

For they have awaited a Six built with all the natural mechanical attributes of the six cylinder engine, fully and completely developed and perfected by the brilliant engineering that has ever been exemplified in all Hup-rabilia netter carr mobile motor cars.

We predict great and immediate popularity for this new Six-and we urge you to inspect it soon.
