FRESH BORROWING OF ONLY \$2,000,000 FOR RAILWAY, PORT AND COLONIAL NEEDS TO THE END OF THE YEAR.

1928 Budget Surplus of £21,639.

Government intends to infroduce on certificate of emergency a new Loan Ordinance to provide for the raising of a loan of S.5,00,000 on the London Market on the credit of the Colony

The loan will actually increase the Colonial, Railway and Port loan commitments by only £2,000,000

The rest of hom money will be devoted to repaying the GL500 000 · Cotton Loan raised for transport purposes in 1924 and the Excost 000 for the Railway and the port authorised in 1922 and setually advanced by the Crown Agents and spent but never actually raised as a loan

The Budget has been introduced. It increases expenditure by £260,000 and shows an estimated surplus of £21,000.

The Government believes that the time has came to step increasing the surplus balances of the Colony now half a million—and spend the excess of each year on minor public works which are urgent
