COMMUNISTS PUBLICLY EXECUTED IN CANTON STREETS.

Terrible Scenes Follow Nationalist Scurge.

VICE-CONSUL KILLED.

Pavements Littered with the Bodies of Russian Sympathisers.

The Chinese Nationalist Government continues to be war riddled on Communism and has applied a number of the so-called 'five iron' measures which have been approved in Peking for dealing with people opposed to 'Red' methods and views.

The Soviet Consul General and other prominent Russian representatives were paraded a prisoners through Canton, whilst amongst those publicly executed in the street were the Soviet Vice Consul and Consul.

It is reported that 2,000 Communists have been killed on fighting in the city. The streets of which are littered with corpses. Canton is described as a city of dead and bare trees and are being employed to reconstruct the town.

EXECUTION PROCESSION.

THROUGH BUTTER'S AGENCY. On the 11th inst., a solemn and grand funeral procession took place in Canton, China, for the late Vice Consul General and Consul General of the Soviet Union. The cortege was headed by the Vice Consul General and Consul General of the Soviet Union, followed by the British Vice Consul and Consul, and other officials. The procession was accompanied by a band of music and a large contingent of police. The bodies of the deceased were carried in a hearse through the streets of Canton, where they were laid to rest in a cemetery. The funeral was a grand affair, and the streets were lined with people to pay their last respects to the deceased.

More Executions. The Chinese Nationalist Government has announced that it has executed a number of Communists in Canton. The names of the executed are not known, but it is reported that they were all prominent members of the Communist Party.

Schneider Cup. The Schneider Cup, a trophy for the world's fastest motor car, was won by a British car in a recent race. The car was driven by a British driver and was the only one to complete the race.

Free State Coupage. The Free State Government in Ireland has announced that it will issue a new series of banknotes. The new banknotes will be issued in denominations of 10, 20, 50, and 100 shillings.

TO BE BASED ON THE BRITISH SYSTEM. The Government has announced that it will base its new system of taxation on the British system. This will mean that the rates of tax will be the same as in Britain.

Imperial Parliament. The Imperial Parliament has passed a number of important bills. These include a bill to amend the law relating to the appointment of judges, and a bill to amend the law relating to the appointment of members of the Privy Council.

Diplomatic Appointment. The Government has announced that it has appointed a new ambassador to the United States. The new ambassador will be a member of the British aristocracy.

E.A. Court of Appeal. The E.A. Court of Appeal has heard a number of appeals. The court has allowed a number of the appeals, and has dismissed a number of others.

You Need Never Change Your Oil if You Own a Buick

LAST year Buick said "Change your oil only four times a year." Buick tests at the great Proving Ground of General Motors at that time had shown that oil change would never be necessary with the Oil Filter to remove impurities, and with the Crankcase Ventilator, Thermostat, Circulation Control and Automatic Hour Control to prevent oil dilution.

Now, more than a year has passed, and Buick owners in every section of the world—under every climatic condition—have also proved that you never need change your oil. If you own a Buick—replenishment and inspection of the Buick Oil Filter only are required.

CLOSER UNION BUT NOT FEDERATION.

Time Not Ripe for Later Says Uganda.

"STANDARD" CORRESPONDENT.
Kampala, December 13.—A public meeting of great interest was held in Kampala yesterday under the auspices of the Uganda Chamber of Commerce, at which Sir Edward Douthett, President of the Federated Chambers of Commerce of the British Empire was the chief speaker. A large number of members of the Chamber and the public were present and Sir Edward was accompanied by His Excellency the Governor, Sir Evelyn Baring.

His Excellency, on a visit to Africa, has just come up from South Africa, through Rhodesia and Natal. His speech, which was received with much interest, was mainly devoted to explaining the objectives of the Empire. He stated that the Empire was not a mere political union, but a union of hearts and minds. He pointed out that the Empire was a vast and varied one, and that it was not yet ripe for federation. He said that the Empire was a union of hearts and minds, and that it was not yet ripe for federation.

King's College, Bude.

attending Federal Council meeting but it would be impossible for a Governor General to make frequent visits throughout the territories.

Indian Example.
These arguments were well backed up by Kenneth Mahabadi, Singh and Mr. B. B. Fehank, C.I.E., who gave many details of the inner workings of United India. Indeed the latter in a speech gave the example of Burma, who are part and parcel of Federal India. The Federal Council at Delhi, Wharum, he said, was held in Delhi from anywhere in India in two days. It took six hours to get from anywhere in India to London. He said that the British Empire was the simplest reason that no land inter-communications existed between the two countries and consequently delegates had to waste a lot of time going by sea. It was mainly for this reason that Burma were wishing to cut itself from the Federal Government.

Opinion here is, however, strongly in favour of a closer union. In fact, as certain departments are concerned, for example, railways, post office, education, etc. and of a few things in common. A Chamber of Commerce has been formed in this type, a complete Federal Government.

King's College, Bude. ANNUAL PRIZE GIVING AND SPEECH DAY.

"STANDARD" CORRESPONDENT.
Kampala, December 13.—The annual Prize Giving and Speech Day of King's College, Bude, was held last night. A large number of guests were present, including the Royal Highness, the Duke of Devonshire, the Governor, Sir Evelyn Baring, and the members of the Board of Education. The prizes were distributed to the successful candidates of the year.

The prizes were distributed to the successful candidates of the year. The Governor, Sir Evelyn Baring, was the chief guest and he gave a speech of encouragement to the students. He said that the students had done well and that they were a credit to the school. He also said that the school was a very good one and that it was a pleasure to be present at the Prize Giving.

Kampala Sports Club. A SUCCESSFUL FANCY DRESS BALL.

"STANDARD" CORRESPONDENT.
Kampala, Dec. 13.—A very successful Fancy Dress Ball was given at the Imperial Hotel, Kampala, last night. The proceeds of the ball were for the benefit of the Kampala Sports Club. The ball was a great success and the proceeds were a very good one. The Governor, Sir Evelyn Baring, was the chief guest and he gave a speech of encouragement to the club. He said that the club was a very good one and that it was a pleasure to be present at the Fancy Dress Ball.

Advice and How to Take It.

A FEW USEFUL HINTS

Advice is the medicine that should be well taken before being taken. This is particularly true when applied to automobiles.

Several thousands of people probably read the foregoing paragraphs today with a feeling that they were being told what to do. But such is not the case. The following hints are given to you in the hope that they will be of some benefit to you.

The first and most important hint is that you should not buy a car until you have had a chance to drive one. This is a common mistake. Many people buy a car on the basis of the salesman's word, and they are disappointed when they get it home.

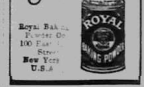

The second hint is that you should not buy a car until you have had a chance to see it. This is also a common mistake. Many people buy a car without having seen it, and they are disappointed when they get it home.

What To Do When Faults Occur.

People sometimes seem to be afraid of faults. They might naturally a little to the car to the mechanic's service department and what they have to say.

It is the fault that is a serious one and it is one that is a serious one and it is one that is a serious one.

NAIROBI CRICKET.

Oxford Defeats Cambridge on Saturday.

A WICKET VICTORY IN LAST OVER.

(By 'Rally Big')
The recent rains have brought on the Nairobi Club ground a good condition, but have left the outfield somewhat soft, and in consequence slow. However the testing was perfect for the annual cricket match between teams representing Oxford and Cambridge, this time twice-over, in as a long time since the last one was played. The first over was a very strong and well-aimed one on the part of Pugh, as it was, was washed in the nick of time. The last man out of the game was a very good batsman and drew most of the attention of the spectators, who were very numerous. He was a very good batsman and drew most of the attention of the spectators, who were very numerous. You Need Never Change Your Oil if You Own a Buick

LAST year Buick said "Change your oil only four times a year." Buick tests at the great Proving Grounds of General Motors at that time had shown that oil changes would never be necessary, with the Oil Filter to remove impurities, and with the Crankcase Ventilator, Thermostatic Circulation Control and Automatic Heat Control to prevent oil dilution.

Now, more than a year has passed, and Buick owners in every section of the world—under every climate condition—have also proved that you never need change your oil if you own a Buick—replenishment and inspection of the Buick Oil Filter only are required.

WHEAT PROBLEMS OF KENYA.

Important Declarations by the Government Plant Breeder.

GROWERS MEET AT LONDANI.

Equator and Kenya Governor Recommended as of Real Importance Marquis Defects.

Arising out of the recent prominence given to the problems of the wheat industry, an important meeting of growers was held at Londani recently when the Plant Breeder gave an illuminating statement on the position, including expressions of opinion on the suitable wheat under present conditions.

The sale of local flour has been up to 30 to 50 per cent in a year and the Area Dales is increasing.

K.F.A. ENDEAVOURS TO FIX LOCAL PRICES.

Mr. G. Burton, the Plant Breeder, also addressed the meeting. He began by emphasizing the need for a variety of wheat to be grown in Kenya, as the country's climate is so varied that it is impossible to grow one variety throughout the country.

He stated that the Marquis variety, which has been widely grown in Kenya, is a very good variety, but it is not suitable for all areas. He recommended that growers should plant a variety of wheat, such as the Equator and Kenya, which are better adapted to the local conditions.

Mr. Burton also pointed out that the quality of wheat is a very important factor in the determination of its price. He stated that the quality of wheat is determined by the size of the grain, the hardness, and the amount of protein. He recommended that growers should select varieties which are known to produce high quality wheat.

The new Four is of true Dodge fibre in the high quality of its vital parts.

All bearings, piston rods, shafts and springs are of chrome vanadium or other really alloy steel, giving great strength and long wear, with low maintenance expense.

Sporting is amazingly easy because of the great leverage exerted by the steering gear, and the reduced friction resulting from ball-bearing steering.

The famous Dodge Brothers' 114 motor drives quiet, reliable engine, performance well beyond what you expect, and quick acceleration when you need it.

FAULTY IGNITION.
 The first cause of faulty ignition is a weak spark. This can be caused by a weak battery, a faulty distributor, or a faulty spark plug. The remedy is to check the battery, the distributor, and the spark plug, and replace them if necessary.

TO DISCOVER FAULTS.
 Let someone else drive the car. This is a good way to discover faults in the engine, transmission, and suspension. If the car is driven by someone else, the driver will be able to feel any faults that are present.

A RECORD MOTOR RUN.

Remarkable feat on East African Roads.

624 MILES IN 24 HOURS

The feat was accomplished by a 1922 Ford Model T touring car, driven by a driver from Nairobi, who completed the 624-mile run in 24 hours.

To Discover Faults.

LET SOMEONE ELSE DRIVE THE CAR.

The best way to discover faults in a motor vehicle is to let someone else drive it. This will allow you to see the car from a different perspective, and you will be able to feel any faults that are present.

DROUGHT AFFECTS NAROH FLOWER SHOW

Rose Honours Go to Nyeri District.

ENCOURAGING EXHIBITS

A flower show... held at the Municipal Hall yesterday and today the day a large number of people attended the show.

Considering the recent climatic conditions which have been experienced here the last few months the quality was not so high as the quality was in the past.

For the first time such exhibits were given by professional exhibitors and the show was a success.

Royal Show

It is worth noting that the show is the most important of the kind in the district. The show is held annually and is a great success.

British Films

One of the main reasons for the success of British films in this country is the high standard of the production. The British film industry has made a great deal of progress in the last few years, and it is now producing films of a quality which is equal to the best of the American and French films.
