ERNMENT TO ALIENATE MORE LAND FOR SETTLEMENT.

Broadening the Basis of Financial Responsibility.

NO QUESTION OF NATIVE RIGHTS.

Missionary Member Views the Proposal with Some Doubt.

- TOO

overment has agreed to alienate more land for san settlement in areas apart from the Native res. This will be in addition to land already set for the purpose of the assisted settlement schemes. in introducing the motion dealing with the matter smber for Plateau South urged that the prevision re land for settlement would ease the burden of al expenditure borne by the present settlers.

The representative of African interests on the moil feared the proposal might mean the restriction and available for the natives in the future.

WHAT FUTURE WAR IN THE AIR MAY MEAN.

The Country Devastated and **Enormous Casualties.**

MANOEUVRE THRILLS.

e Actually forced down in Flames: Pilot's Descent on Roof.

Some indication of what may happen in future warfare has been forthcoming this week as the result of the air manocuvres over London.

Experts any that had the mock war been real at stretch of country would have been laid waste list the casualities would have been communist.

As it was three machines were actually forced rn. One burst into flames and the pilot, using a sachute, landed on a house top.

KENYA'S NEW COLONIAL SECRETARY.

Appointment of a Nigerian Officer.

H.E.'S ANNOUNCEMENT

connespondent.]

Mombasa, Friday.

In the Legislative Council to day His Excellency the Governor announced

the Governor announced the appointment of Mr. Henry Monk Mason Moore, Deputy Chief Secretary in the Nigerian Colonial Ad-ministration as Colonial Secretary of Kenya in suc-cession to Sir Edward Denham.

Denham

His Excellency said Mr. Moore was a distinguished officer who had risen rapidly in his comparatively ahort service of eighteen years, during three of which he had served with His Majesty's Forces.

Valuable Experience.

Valuable experience.

There were two points in his civil service record of superial importance to Kenya. He had had political as well as administrative experience and was very well rained; in the organisation of despatch of the complex work of a large and modern Secretarial. Sir Edward Grigg continued:

therefore, unlikely that he will be the serve England for forcy Schrift Server England for force and the server England for force and the server England for the server in the server in

WORK OF KENYA POLICE STEJ ON Night Driving

The Question of Headlights.

when electric lighting for mot-cars first came in. Do our last give us as afe driving light in conditions? If not, why as Does safety, in terms of pro-yead-fillumination for ourselve spell danger for others? Is it real impossible for our several last experts to design a fog-penetrato II so, why? And a dozen other

TOPICS for MOTORISTS.

to Leavage

ld lighting problem

The main thing struck me lately, on my long night drives, has uneven quality of the bulbs. An hor fairly frequente the Newmarket what I mean An hour's run

devices are those which bothes least. That is not the point have driven cars fitted with without alleged anti-dazzing in which have been positively do tous. Their beaus have been o

Separate Ones, supplied Another fairly practical way of making night-driving mutually more conformable in to have every more conformable in the star every lied, as they used to be in the early days of selectic cost-lighting. I would have a separate writch for have a separate witch for where we the consolidate main ways over you thus consolidate that we were you do not of the per control has became in a standardied manner, the fitting of any devices to individual ours in worth them under the period of the pe days of alcottic cast lighting. I would also be a considered with the cash of my head and side learner. This would embed me not only to larve the me not only to larve the me not only to larve the gains for the approaching driver, but also to effect a peasant economy in current. The new cheen system of 'Side Only,' 'All Do. 'on' 'Off.' is shown only for the manufacturer, where the manufacturer, where the constraint of the c

As things are at present, I be-teve that the chief essential to safe night driving is to use as much lights as possible. You may dansie and be dessied, but at all events were telling nonsense. You show yourself to the co-comme by leaving to toth sain-lights on, so that the knows she width of your car; and spyraceh him with only she next healight on. If this is very slight, if set to the left hand side you will be able to see the half of the road you are covering, and your light will not worry the other fellow. I have driven hundreds of miles in

Uniticism in Declieral

formance is much criticized. The cut-field work was not good, a fast bowler was battly missed. Elliott was only fair at the wic-ket, and most people came to the conclusion that the team was too old, and would not stand an Aus-

odd and would not stand in Americalian tour.

All the papers express dissip-pointment at the result of the Test Matches with the West Lin-dica. It is felt that there is justification for the contention where the contention of the contention of the have been given test match rank far too soon. Their failure in the latest match is even more disappointing than it seems on the supface since Brighted was not playing in anything like the form capeted.
