W. HALL

Deputy President.

Friends it is a sheatly story
That I his would use to you.
For it avenue not of diety.

(Though, is parts, it a fairly true!)
I, prochouse, you are assumed
With the sale I would unfold.
When the pattern I have painted
You will know it you've bom "sold."

Oh! My Beart within me failers
And my lears in anguish rise;
But my perpose never allace
Though my beast is full of night;
Of this awful accurage and measure.
Of this awful accurage and measure.
Of the substitution is the pits, (ed. Venice of the control of the

Here you wandered in the gloaning
4s the enting of the sur P
Here you, hosely, gets a roaming
With your daily Kasi door?
When the even winds were sighing
Their sweat message in you'r casp,
Have the Their Pitz voices or ying.
Shocked your soul with sublem fears?

Woo! and Woo! and lementation I.
Those who know the dead agot w
Bathed in such as the second of Persons asks of Persons and
Who would have the are in the agone
Who would have a fearful fate ?
(Those who know to — mission of
Of the dread transcrated.)

Leafer children, wide cryed, trembles.
With a for aim to death.
Gray based a seaterois, examples.
And discover with based based, because of the seaterois of the seaterois of the seaterois made the close is tour to the seaterois made the close is tour to the seaterois made the close is tour tour thought of force?

Oh dear! what can the matter be? What can the matter be? What can the matter be?

Oh dear what can the matter be?

Why am I stringing this rotten old ode?

You have only to go and see,
Go and see, go and see,
Those three hig classes

Which swamp the swamp-road, And I'll bet you seven and sixpence.

I'll bet you seven and sixpens You will hie you away And kick up a deuce

And if you don't go to the P.W.D.
And hang all the follows you happen to see,
It will be a surprise (quite a big one) to me
Since they are responsible for the Pits Three; Since they are responsible for the Pite Three; Since theirs is the job to make good the

# How I Got Rid of My Freckles.

Every summer my face used to be covered with unsightly yellow spots, and my complexion was truly awful. I consulted many doctors, but could not find anything to take out the ugly marks. So deeply rooted did they become that even in winter time they So deeply noted did they become that even in winter time tung could be seen, and it was obvious that at I give vider my recklist grew worse. One day I explained my trouble to a family finesh, afteriment medical man, and be gave me the secret of a remarkable preparation he had discovered, which, he assured me, slways succeeded, even in the most difficult cases. I was rather incredulous, but resolved to try his treatment, and is a common and delicht, the first amplication made a distingt reture increduous, but resolved to try he treatment, and is surprise and delight, the first application made a diction difference in the depth of colour in the spots, and after a few days they completely disappeared My frends tried the proposal difference of the depth of the desiring to make this value and the depth of the desiring to make this value of the depth of the desiring to make this value of the depth of the desiring to make this value of the depth of the desiring to make this value of the desiring to make the value of the desiring to make the desiring the desir

AERIAL NAVY AGAINST FRANCE.

London, March 31.
The German Press expects that the Socialistic party will accept the Army Bill practically without critisism but the method of raising the money will meet with sharp opposition so that the new bill is likely to opposition so that the new bill is likely to have a stormy passage in the Reichstag.

The English press concentrates its attention on the extraordinary increase in the Aerial Navy. The Unionst section declare that it creates a new situation requiring new measures on our part. The Liberals however are inclined to the belief that it is directed more against France.
