CANDIDATES' LUNCHEON.

(TEROUGH REUTER'S AGENCY.)

ITEMOURE RUTTE'S AGENT.]
At a luncheon to the Liberal election candidates held in London to-day, Mr. Libryd George claimed that the Liberals were the only united party in the State. He denounced the inepittode of the present government as a public danger. He declared that byes elections showed that the Social-elections showed that the Social-elections showed that the Social-elections showed that the Sociallic danger. He declared that bye-elections showed that the Social-ist vote had declined and that electors were shrinking from en-trusting power to a party pledged to the overthrow of the conumer-cial and industrial system of the country. The only party compe-tent to reatore trade and con-tent to reatore trade and con-

("FRANDAR" - GRANDFORDER").

In the Brows of Common March 2.

In the Brows of Common Mr.

O. M. Oillett (I.ah. Finsherry) is asking the Colonial Secretary of the Common Mr.

And the Brows of the Brown of the Brown Common Mr.

Indian that a pullable proposition of hear minery should be specified to the Brown of the Brown Legislative Council which is to be used to start a Land Rank, whether he will recommend that the Land. Think commend that the Land. Think whether he will re
commend that the Land. Think commend that the Land. Think t cial and industrial system of trountry. The only party semplem to restore trade and comere was the Librari Party why was historically one of prosper? They were ready with scheme work which could immediately operated to reduce unemptone to normal preportions within year without adding a penny year without adding a penny national or local inaution.

Charlie Chaplin.

Tanganyika Land Sales.

Mr. Gillett is also asking whether the Colonial Serviary in aware of an annonnenent made at a flowerment and at a flowerment and a flowerment with the control of the colonial service of the desired and whether this is all the component in which will be always the whole and is sold by Government to non-antive and to non-antive the colonial service whose land is sold by Government to non-antive the colonial service whose land is sold by Government to non-antive the colonial service whose land is sold by Government to non-antive the service where the colonial service when the colonial service whose land is sold by Government to non-antive the colonial service where the colonial service wher

January Crop Report.

Serious Position in the Native Reserves.

The following crop report for a month of January has been carved from the Department of

On the introduction of the system of emp reports it was hope that the James of the term of emp reports of the hope that the James of the write for the real month of the property of the last of the write for the real month of the last of the write for the real month of the last of the last of the write for the foregoing it has been deadle that in flatture the foregoing it has been deadle that in flatture the portfol will star in flatture that period will will be issued monthly in respect of the print of lay to before any of the print of lay to before any of the print of lay to before any in the print of the print of lay to before any the print of the print of lay to before any in the print of lay to before any in the print of the print of lay to before any the lay the lay to be a lay to be a

of the period July to February in chairs, and not from June 1 January as originally intended. At the end of January harvestin was sufficiently advanced to miste that the judds of all crop have fallen off considerably as compared with previous estimates with the result that considerably decreases are shear; as compare with the previous month's estimstee.

In the case of maire it has been found, periodicely in the Trans and the second second

for a further falling off in it whost erop and it is known it considerable damage has bee caused by locuste during the most of February, details of which wise published fater. The weather throughout the month was very dry, some district

EUROPEAN AREAS.

Fort Hall It is reported that owing to the dry weather coffee

It is also noted that coffee tree are ready to flower.

Kyambu. Despite the dry spell coffee trees are reported to be standing up well and appeas the sheathly. Coffee picking is still it progress, but the cherry in failing to give the results previously anticipated, with the result that unther decrease in the estimates

upsace, with the result that upwards in the estimate output predicted a predicted raise has coursed in this District, and ther so were prospect that the previous estimates of coffee will be realised. Machakos. Locusts caused on distrable losses in the wheat yield and at the end of the month the damage was continuing.
Klisumu-Londiani. The main copp in this district, although high

Klemm-Londism. The mains crop in this district, although high has not come up to former expectations, and the total yield is reduced in consequence. A slight increase in the output of coffee is recorded.

Nakuru. The harvesting of maire in this district is nearing completion and there is evidence of a considerable falling off in the yield. The lack of rain when wheat was coming into ear accounts for a further falling off in this

or a further faling off in this recop.

Truns Neoia. Although satisfactory crops of make have been secured in this district, it has been secured in this district, it has been cloud that the gain is light and local yield is estimated. Using dishus Previous capacitations in the maine crop are not exceeding realized and the settimated total yield has decreased by 12,600 bags.

NATIVE RESERVES.

Mr. C. O. Oakas. Assisted.
Agricultural Officer, respects follows:
"During the modils I was also visit nearly the whole of the outside has sad improve the following a same of the control pecenies the following a Kilifi. Meise. This, the mimoriant food eree on the Cost

month. There has been we ittle an and of or the most part in the foreign of the control of the c

better, although the crops were planted earlier

Simsim. There are few places where this crop has not been a failure.

Pojo and Kunde. These two crops have also failed, lack of rain at their most critical period being the cause.

Cassava This is the only crop hat is looking at all fit, its leaves are still fresh Cassava should be of creat assistance during a lard time.

Service Company, Limited,

Truck Tyre
Improvements that mean money to you

Fully as great as the recent advances in passenger car tire construction are the improvements which Goodyear now offers in truck tires.

New peaks of truck tire ability result from these new betterments—new reaches in efficient and economical motor transport.

New and improved tread designs, for example, provide great go-ahead tractive power on Goodyear Truck Tires. Stronger an d tougher tread compounds set up a new measure of Goodyear resistence to wear.

Extra durable body stock and structure extend still farther the vitality of Goodyear Tires, already the record holders for long life at low per-mile cost.

You ought to know about these Goodyear achievements if you are an owner or user of trucks. Goodyear Truck Tire Experts are at your command for consultation on the right type and size of Goodyears for your vehicles. Your local Goodyear Truck Tire Service Station Dealer is equipped and eager to give you the standard Goodyear Service that backs up Goodyear Truck Tire equality.

d Exchange Ltd .

Yours faithfully, (Name on application)

Your letter of December 15th just to hand. I am indeed pleased over the way you have handled the sale of my car both as regards price and quickness of sale.

I was pleased with the purchase of the car, and our second transaction has been equally satisfactory, and I shall certainly come to you for another car or my return to Kenya.

The Moshi Session

IMPORTANCE OF THE

said it was brue that the Overen-ment of Tangasyake had got the whip hand and they were using their power most unjustly. Their action in the matter under discus-ation was satiraly lilegical. It was only when the combined opinion only when the combined opinion too bear on them that there was hope of their realising the snormity of their offences to the public. The motion was carried unmi-
