Attractive beauty and smart style distinguis.

Dodge Brothers NEW Motor Care which as world-famous for their proved reliability.

Skillful design has achieved at once com-ness, length, the appearance of lowness ample clearance, attractive lightness genuine comfort.

The bodies finished in pastel lacquer colors, with pure, unbroken lines, and low rectasgular windows, create a convincing plume of exterior mantiness. Interior beauty speaks for itself in the splendid uphoistery and fittings. A handsome car—with greatly increased feat conomy and proved reliability in every detail!

## DODGE BROTHERS

NEW SIX MOTOR CARS Stylish Beauty with Proved Reliability.

Attractive beauty and smart style distinguish Dodge Brothers NEW Motor Cars which are world-famous for their proved reliability.

Skillful design has achieved at once compactness, length, the appearance of lowness with ample clearance, attractive lightness and genuine comfort.

The bodies finished in pastel lacquer colors, with pure, inbroken lines, and low rectange far windows, create a convincing p foure of exterior smartness. Interior beauty speaks for itself in the splendid upholstery and fixings. A handsome car—with greatly increased role economy and proceed reliability in erecy detail!

VALUABLE STAND BY EARVEY AND DAWES.

ings ofstea.

The Service winning the toes put their opponents in to bat, Spicer and Ebblewhite opening to the bowing of Harrys and Dawre. Against steady bowling from these two, runs were difficult to get, Harrys especially being on the top the first of the form of the form of the form of the first of the first opening the starting in The Fellice openin was betting in The Fellice openin was betting in choe batamen looked like staying. The Police captain was batting in its most confident style but could be most confident style but could be compared to be compared to the passing the fifty nark Spicer was bowled by a beauty' from Harvey. The Police all failed to wag and the whole die were dismissed just after the nundred had been put on the oard.

The Service opened with Dawes and Palge to Spicer and Cairns. Paige showed much improved form and executed some ince scoring shots in making his 18. Dawes was lucky in edging a ball from Spicer through stips before be had

Cairns eventually separated them, bowling Harvey, Oxford was also bowled by the same player. Field, Tate and Hindle all made uneful scores before the innings closed for 220.

The Police in an endeavour to save the immge offent fand even wares than in the first knock, three wackets being down for 11 russ. Endewhite and Carras, however, improved matters a little, but when time was called 8 whether 2d. E.A.S.

HOME FOOTBALL TOPICS.

The Progress in the Leagues.

HOW THE CLUBS STAND

Lanks United any steady greating a gap patterns themselves and this mesers of ratio in the premium of the present of the prese

The latter was another combina-tion who figured dangerously near the bottom of the table in April last and to-day finds them concess-ing the leadership. If a little more penetriveness could be given to the Uidham forward line they would be a rine side. As it is they are a good company in demans.

Trendshe at Despusa-Frencies trusties grow thesk upon them. With James in the root reak true were intelly to up-tion the property of the property of the property of the property of him, are an uninspering lot. The herwise have title to commend attend, enough to early the load stands, enough to early the load thrown upon it. It is the same with the property of the property of the whom has yet to register a vistory. When will Pymonth Aggle When will Pymonth Aggle to the property of the property of Bastel? There is the promise of a Bastel? There is the promise of a mains to be seen. Brentford's place in the solicine of things in particularly satisfactory, and sa-other lesen tussle for bonours is to be expected in this league before many moons have passed.

Is Disappointment in Store?
In May last Stockport Counsiter holding the leadership their league for the greater pot the season was released. they have wen for, dropping two points rather unexpectedly to Un-color 103y. They are a great soci-ling force, averaging almost these goals pic game. With one more pure played than Stockport they point, and the County will point, and the County will wen put to it to wipe off the de-fect. There is a distinct gap are seen them two elubs and the re-west them two elubs and the re-

THREE CHOIRS' FESTIVAL IN UGANDA

Modelled on Historic English Ceremony.

TO BE WELD WEST MONTH.

(Contributed.)

Store than two minnes years ago there began in England the 'music meetings' of the three Cathedral choirs of Gloosester, Hereford and Worcester, which have been continued annually evenings. It is more intended to start a similar featural in Ugunda which may, it is hoped, enjoy as long and in due course as distinguished a history as its English model.

under H<sub>0</sub>, the anxievement of the consecution of Nanatranche Cathedred ten years ago, and a h of control in the Cathedred ten years ago, and a h of control in the Cathedred that the mustic marketed phages it was assessancy to part the meeting off to Fielder, November 15. The three solements with the meeting off to Fielder, November 15. The three solements with the control of the control of the Colpus, Philos. and II the charteten and the control of the control and about chart within reach of Numirendes, over 1500 voices, will join in uniquing the easier mininand these will be an extraorder

The morning service at 0 o clock will consist of the Litany (Tallis setting of the traditional plainsong fits the Luganda words admirably) and the Holy Communion. The music will be sung by the three choirs, and the preaches will be the Rev. W. B.

The "music meeting proper will be at 4 o'clock in the afternoon. Each choir will be at the control of the contr

Although about 1,200 seats where to be allotted to the singers sere will be room in the sisles to certain number of the generablic. The usual seats will be served for Europeans.

### Zanzibar Economy.

Dose who are acquainted with additions in Zanziber and with the interest of the last two years will preciate the significance of the dges speach made by the British sident a few days ago, reported our columns this morning. A rindling surphus balance, and merously to meet deficits in ever-mental processing the production of the merously to meet deficits in everenerously to meet deficits in ever-use and excesses in expenditure blue, has forced its lesson on the lovernment. Growing expenditure as had to suffer a out and fluc-uating revenue is now being conively estimated and earetuny nded. Efforts have had to be ie to make enus more, as seems paper. Events have moved dly in East Africa. Zanzibar, Island Matropolis, the Clearing use of the Const. has lost its use of the Coast, has lost its ificance in the economic sume. The great harbour works dombass, the development of es-Salsam and Tanga, the naion of Railways to the Nile. d industrial activity in all use iminant territories—these in their necicial influence on East African sperity have. at the moment, code unpleasantly upon Zami-The clove industry is national by factors outside the strol of the island producers. agasar is coming into the field to monopoly and synthetic pro-te are in their infancy. The timited in its demand and

limited in its occurred and Pembs have long fulariber and Pembs have long ful-ded marked requirements. The very large of the Island, realising a situation have done much to ake their foundations sound, key have fostered the co-operative tirs among the heterogeneous as of netive and Arab producers to form the backbons of the hand's economic proposetry, the

ment's trade organisations in meet-ing the competition from synthetic more's trade organisations in guide-ing the comprision from symbolic marts of that said of the boilcases. It is addition, they have began standily to seak to said somether de-pendable age to the basic production of the basic parity has repainted to a testing spiritude. Book of, first class quality have been boild, like a set-temapora to being developed, the hardour works have been modera-tion—expensive books; the store to the basic production of the production of the production of the like the burden on the primary industries, at the source of produc-tion. It is not the production of the comprise a superior of the produc-tion. It is not been the produc-tion. It is not been the production. ### Kenya & Uganda Railways & Harbours. STORES DEPARTMENT. CATERING SECTION

Tenders are invited for the supply of general provisions, Sweets, Tea, Coffee Beans, Wines Spirits, Boers, Imported Mineral Waters, Tobscco, Cigarettes, etc., from the 1st January to 31st.December, 1930

2. Only approximate quantities of equirements can be given, as per lists which can be impected at the Italiways Bores Offices at Nairobi and Kilindini where any further information can be olyained that is desired. The Railways do not undertake to order all the items or quantities shewn on such lists.

ties stewn on such lists.

3. Orders will be placed from time to time during the period stipulated for such articles and for such quantities as may be required. In regard to Beer, Mineral Waters, Wines, Spirits, Cigarettes, Tobacco, etc., the Rail-ways do not bind themselves to any particular brand, or makes, but will sell such brands and makes as are selected for the year, as required.

Quotations should be for delivery either at the Rail-ys Stores, Nairobi or Kilindini (Depot to be clearly cified in the tender) and should include cost of packing.

5. The Brands, makes and sizes, of the packing to be specified against each item, and prices to include the full quantity in sound condition.

quantity in sound conductor.

6. Tenders in scaled envelopes marked "TENDERS FOR CATERING STORES" should reach the Chairman, Tender Board, Kenya and Uganda Bailwaya and Harbours (P.O. Box 572) Nairobi on or before the 4th November next. Tenders received afer that date will not be considered.

7. The lowest or any tender will not necessarily be

Nairobi, 9th October, 1929.

G. D. RHODES Acting General Manager.

Kenya and Uganda Railways
and Harbours.

### Kenya & Uganda Railways & Harbours

TENDERS FOR THE SUPPLY OF WOOD FUEL ESCARPMENT — KIJABE DISTRICT.

Tenders are invited for the supply to the Kenya and Uganda Railways and Harbours of 25,000 cubic feet of Lecomotive Wood Fuel (Eucalyptus) per month in the Escarpment—Kijabe District.

S. Carpment—Kijabe District.

 A royalty fee of Shs. 3.- per 100 cubic feet is payable to the Forestry Department, and the Kenya and Uganda Railway and Harbours will make the necessary deductions from the bills as payments are made for fuel. 2. A security deposit of Shs. 3,000/- will be required the due performance of the contract.

3. The form of agreement required to be entered into may be seen at the office of the Superintendent of the Line, Nairobi, and at the office of the Chief Storekeeper, Kenya and Uganda Railways and Harbours, Nairobi.

and Uganda Railways and Harhours, Nairohi.

4. Tenders must specify the price per 100 cubic feet of wood fuel cut to specification and stacked as indicated by the Railways. The price to include all royalties. The successful tenderer will be expected to commence cutting on before the 1st January, 1809, and the Administration will not be prepared to take over any fuel until 3 months of the property of the propert

have elapsed from date on which cutting is commenced.

5 Sealed tenders marked "TENDERS FOR WOOD FUEL ESCAPEMENT"—KIJABE DISTRICT" must reach the Chairman, Tender Board, Kenya and Uganda Railways and Harbours, P.O. Box 572, Nairobi, not later than the 4th November, 1202 Late tenders will not be coundered. The lowest or any tender will not necessarily be accepted.

3rd October, 1929

G. D. RHODES, Acting General Manager, Kenya & Uganda Railways &

### GREATER MILEAGE

condition of to-day's car and driving, this New Roy-al adds thousands of miles of surprisingly economi-cal service.

Ture of To-day for the Car of To-day CARR, LAWSON & CO., LTD.

### 'Multiplar' Belting

Has no plies or folds to come

It is treated with a special proofing which makes it practically waterproof.

It is unaffected by climate; is suitable for the Tropics.

It has a patent face which prevents slip and gives increased grip on the pulleys.

It is woven in very long lengths and is dead true in running and weight.

Agents and Stockists:-

Smith, Mackenzie & Company.

Box 390 Phone 368 NAIROBI.

## PREMIER SOAP The most refreshing soap in the world. After the faringe of tennis-or when

After the fatigue of tennis-or when feeling limp and tred after the social round—then is the time to appreciate the refreshing powers of Vinolia Soap. How clear and cool at makes the skin look and feel-now braced and refreshed the season are—all langour is displaced by a delicitous feeling of well-being. Truly, Vinolia is the most refreshing scap in the world.
