(LONDON) CORRESPONDENT.

London, Nov. 14.
The Prince of Wales, in the
Federation of Kings and Maritime
Empires at the Albert Hall, re-
ferred his participation in the
East African festival last year.
He said that it was two years
since he had been privileged to
attend one of British Royal
great Amusement night gatherings,
some a year ago he was in
London, on a British com-
munity in that respect of the
Republic. He found “with them
in their observations and shared
with them their sentiment of
recognition. He continued:
“I can assure you that although
it was all done on a far smaller
scale their observation of our
great national enterprise was no
less brilliant and splendid than
those that are held in our big
cities. An Amistad they spent
thousands of miles from London
making one another seem more
and so they had a chance of
seeing British people speak
throughout the world.”

At the Albert Hall Amistad
Festival Concert Pavilion last
Newfoundland contingent in the
month past.

The Prince of Wales received a
Kenya message when he visited
the British Legation, Treaty Palace
at Richmond Hill this week with
17 holders of the Victoria Cross
who had come to London for the
V.C.'s Dinner. Mr. Thomas
Duncan, a Dane, who is the only
foreign holder of the medal, was
one of the party, and he was
accompanied by his wife. The
Prince shook hands with the
V.C.'s and when he came to
Duncan, he said: “I'm sure
Duncan will tell you that I met
him in Kenya. The spokesman
of Mr. Duncan replied that
he was his sister, and had spoken
of seeing the Prince in Africa.

EMPIRE HOCKEY TOURNAMENT.

TEAM TO PLAY IN SOUTH AFRICA.

THE ARRANGEMENTS FOR THE EMPIRE HOCKEY TOUR, to visit South Africa in 1930 are being taken in hand. The All England Council have now published the names of these players who have already been appointed as members of the team. It must be understood at the same time that players apply to go on such tours, and that the list is chosen from the list of applicants.

THE NINE PLAYERS ARE: Goal: Miss F. Rennie (England); Full-backs: Miss M. Knox (England) and Miss J. W. (Scotland); Half-backs: Miss G. (Scotland), Miss H. (Scotland), Miss A. J. (Scotland), Miss B. (Scotland), Miss C. (Scotland), Miss D. (Scotland), Miss E. (Scotland); Forwards: Miss F. (Scotland), Miss G. (Scotland), Miss H. (Scotland), Miss I. (Scotland), Miss J. (Scotland), Miss K. (Scotland), Miss L. (Scotland), Miss M. (Scotland), Miss N. (Scotland), Miss O. (Scotland), Miss P. (Scotland), Miss Q. (Scotland), Miss R. (Scotland), Miss S. (Scotland), Miss T. (Scotland), Miss U. (Scotland), Miss V. (Scotland), Miss W. (Scotland), Miss X. (Scotland), Miss Y. (Scotland), Miss Z. (Scotland).

...comparably strong having Miss K... on right back and Miss W... in the middle of the line. The one of the most promising young full-backs in the country, Miss B... at right half is easily the best player that position in England and Miss C... played well last year. If the rest of the team are as close on the same lines as these, England ought to do, appreciably well.

SOLUTIONS.

Problem No. 1008 (Three-mover by W. H. M. Fowler): Key: 1. B—d4! If P—d4, 2. B—g4 etc. If P—e4, 2. B—d4 etc. If other, 2. B—d4 etc. It will be noticed that this is a waiting move position. Overseeing as White's strength is, all direct attacks fail (such as B—d3 sent in by "Sage" and H. Selig, illustrate).

ing 2. B—d4, but defended by 1. P—d4, and Black has to be prepared to meet the possibility of the move 1. B—d4. The key is a very subtle stroke. It works well up to a point, but if P—d4, 2. B—g4 etc. If P—e4, 2. B—d4 etc. If other, 2. B—d4 etc. It will be noticed that this is a waiting move position. DONALD FISHER'S
"Ye Monks"
Of course "Ye Monks" is a Scotch Whisky, but it is not like any other; it has a taste all its own. Where you have tried it, it is the same as smoking one's favourite cigarette on clear one develops an affection for it, and somehow—any other brand is not just quite the same.
Became acquainted with "Ye Monks" today.

Yes, they are always washed with Sunlight

Sunlight Soap is a pure soap, free from all harsh or injurious chemicals. You can tell this by the appearance of the clothes washed with it. They are always clean-looking, sweet smelling and wholesome, having a well-protected look of newness. Sunlight Soap contains nothing that can harm the clothes or the hands. Every bar has to pass a test for purity and excellence. That is one reason for its universal popularity. Every bar is always good and efficient. A trustworthy soap—ALWAYS.

ANNOUNCING A VARIETY OF COLORS on the Chevrolet Six at no extra cost!

In keeping with the progressive policies that have carried Chevrolet to record-breaking heights of success—the new Chevrolet Six is now made available in a wide variety of colors at no extra cost.

Still further enhancing the beauty of the marvelous bodies by Fisher, these striking new colors give to the Chevrolet Six an order of smartness unapproached in any other low-priced car in the world.

And when you drive the Chevrolet Six, you will realize that its performance is equally as outstanding as its beauty. It flashes away at the traffic signal. It tops

the steepest hills with an abundant reserve of power. The steering wheel responds to your slightest touch. And the quiet, non-ticking four-wheel brakes are unusually quiet and positive in action.

But most impressive of all, this six-cylinder car is available in the price range of the four, with economy of better than 24 miles to the gallon of gasoline! Thus anyone who can afford any automobile can now enjoy smooth six-cylinder performance!

Come in to-day. See this sensational Chevrolet Six in its many new colours.

The Roadster, £285; The Tourer, £295; The Coach, £290; The Sport Coupe, £270; The Sedan, £270; The Imperial Sedan, £295; The Box Body from £260. The 14-ton Utility Chassis, £116.
