SAVING OF LIFE AT SEA

the Empire.

THROUGH EXHTERS AGENCY Rugby, May 27. The subject of boats and oth life-subject of boats and other life-saving appliances on passenger ships has been under considera-tion by the Committee of the International Conference on Safety

At the previous Internation
Outference held in 1914 whic
followed the loss of the Titanic
very great public interes
was centred in this question of was centred in this question of life-saving appliances. The life-boats on the "Titanie" were sufficient for 1.178 persons but only 652 left the "Titanie" in boats out of 2.001 persons on board. The popular demand was for boats for all and the Center-

gulations adopted many of the Convention's provisions, and to-som's years past practically all ocean-going passenger ships have been required to comply with the Convention standard as regards the number of lifeboats carried BY WIRELESS.

Rapid Launching of Boats. Experience gained since 1914, however, has shown the prime necessity for boats being carried so as to be readily available for launching, and it has also proved that where these requirements are

all persons on board.

Extra Measures.

In addition, the Committee proposes that light buoyant ap-paratus be provided which will float in the sea and provide perfloat in the sea and provide per-sons with something to which they can eling, if, by reasons of the rapid sinking of the vessel, it has been impossible to get them away on boats. Such apparatus is a definite additional measure of afety and is to be provided

safety and is to be provided in determible proportion to the num-ber of persons on board. Regarding the use of life raits, it has been found that on certain special voyages, life-raits have proved to be of greater service than inboard boats. The Comshen inleased beats. The form—286e contemplate that the administration might, if satisfied that the rafts will be more useful than hosts, allow rolts in substitution for boats over and "above commodation in lifeboats, such minimum being sufficient to ensure in the North Atlantic passemper trade and in most of other trades, lifeboat accommodation will be provided for all.

will be provided for all.

In view of the improved relability of motor lifeboats, th shility of motor lifeboats, the Committee express the opinion that where more than a certan number of lifeboats, are carried one or two should be motor life boats fitted with wireless installa-tion and searchlights—British Official Wireless Service.

GERMANY'S DESIRE FOR COLONIES.

Secret Negotiations in Paris.

CORRESPONDENT. London, May 28. According to the "Daily Mail" lerr von Kuhlmann has been arrying on secret negotiations in aris during the Reporations Con rence with a plan for the giving Germany of a Colonial sphere of influence, on the ground that Germany would then be in a better position to pay reparations.

The scheme was discounted by the ferman Foreign Office but none the less Herr von Kublmann's pro-posals appeared recently in the memorandum of Dr Schacht, the

Chief German delegate on repara-Repudiated in Berlin. (TEROUGH REUTER'S AGENCY.)

London, May 28.

The activities of Herr von
Kuehlman, an ex-German Under-Secretary for Foreign Affairs, German Colonies to Germany have

been repudiated by Herr Street mann, in a statement to Berlin Here von Kuchrung recently nanded to the British Ambassador n Paris a memorandum on the ubject which the Ambassador forwarded to Sir Austen Chamber-lain. The last named's enquiry of the Berlin Foreign Minister

cited the disavowal of the acti-vities of Herr von Kuchlman, who holds no official pesition.

West African Regiment. COLOURS RECEIVED BY THE PRINCE

BY WIRELESS Rugby May 23.

The Prince of Wales in the garden of St. James' Paince to-day received the colours of the West African Regiment of which he was Colonel-in-Chief, on its dis-bandment after thirty years of service. Bighteen ex-officers of

the Regiment attended in khaki, and 15 ex-members of the Regiment in civilian clothes. They were escorted on their farewell arch to the Palace by the Scots

ards.

Legislative Council.

A session of the Kenva Legis lative Council will be held on Jun 12, and it is anticipated officially that the programme will consist dell and uninteresting. Bills and motions unlikely to excite public attention It would appear to h unlikely that a further meeting o Council will be held between June and the opening of the new session in August which, in previous years has included a sitting at the Coas and at a later date, the introfts tion of the Budget. It is still early in the year to contemplate the financial programme for 1930 We have already stated our belief that the coming Budget must b most carefully scrutinised and subjected to a rigorous test. The Colony needs more than anything else "Development" Budgets fo . for years and it is time that beginning were made more elos to postrict the annual estimates a programme of productive expenditure related to a clearly understood policy of economi progress-of ruthlessly easting

aside all proposals, however at tractive, which do not assist in strengthening the economic foundation. But that subject will keep for the time being. We are concerned for the moment with the brief June meeting of Council. The outstanding Bill which will be discussed embedies the use of the powers conferred on the tioner nor in Council in 1926 to create new Native Reserves. Curiously enough the exercise of the power is on behalf of the Arab popula tion. The Arab has suffered from the lassitude of Government H regard to the development of 'b Coast There was a time when he was one of the large land own ers, possessing wealthy developed estates developed housever system of domestic slaver. which the African native occupie eurious things about the Coast that under the conditions of it disidual freedom the propermade through the utilisation domestic slavery has almostirely vanished! Now the Govern ment intends to use its powers t

settle a claim by the Araba

land occupied by a nativtribe by allocating one "reservto both peoples. It Bill which we fee will require some further explana then. The gative reserve system is being applied to a people who decline to be recorded as natives of Africa and two peoples of being given equal rights over land-one of the most important elements in social domestic political and econ unst up blems in Africa The question of tenure quite definitely arises: the right of dispusal or mortgage is an important issue in the light of the past history of Arab-owned land which has drifted into the control of other peoples through the ordinary channels of financial accommodation; the terms of the development of the area both by interest; the significance of the generally is certainly pertinent and, on the whole, the Bill calls

goods as work is more difficult and exp-nsive in this region. So fur the chief output from Mabuki is from the gravel. The origin of this bed and its relation to the underlying kimberlite are not fully understood at present.

west of Tabora at some 55 miles in a direct line sast of Kigoma on

One of the most interesting of the deposits so far discovered in Tangentiks is that in connection -neertainties with regard to local conditions, not the least of which man times, and considerable activity has been re-eved during the past few years. Some of the rees were very rich to a depth of 100 to 150 feet, where their value dropped rapidly. Ourg manny to the war and an aftermath of disorganization, the pruving of the auritorous possibilities of the region was long delayed and

The chief surfierous regions in the Territory are -(1) the Mwanza-Tabora district extending to the south and east of Lake Victoris for a considerable distance.

(2) the western Kondos-Irangungion; (3) the Bungwe district. The Mwanza-Tabora district in he divental labora district in tes the following gold occur oct. Kilinasies. Ngasami oct. Minang, Bismarck Rect purta Vintoria, Kitengera, Dr. nbs. and Nyasoriri. The older is Kilmatera, the most

of Kilimafera are said to exist at Nigods, and it is on record that several small lenses of quartz yielded gratifying quantities of gold before the war. Two gold fields are situated about 35 miles away, one at Sorori and the other have been worked since the war, not have they been investigated geologically. Gold pannings esti-mated up to three ounces per ton have been obtained from outcrop-

niderable deposits still to be ex-plored in this area. Some of these were worked in German times, and have not been re-opened since.

Alluvial goft is actually being mined in the Lupa region of the Bungwe district and some promising reefs have been located. It is on the aucoessful proving of the latter that the future development of pa important gold mining industry depends. At this stage

or the Boyums on the west side of the Nevala plateau in the Lindi district. Elsewhere in many parts of the regions of crystalling rocks and colour are very abundant and colour are very abundant. A form of massive garnet occurs in the Mpapwa district. Further in-vestigation is necessary to deter-ning whether or not garnet could be profitably mined for use as an

Tin ore was recorded from the Bakobs district in 1984 from a place some 50 miles west of Bukobs. The sampler found in cluded some loose, very coarse angular blocks of easiterite Active development work is pro Active development work is reading and it should sold Gold production has been small known whether the area promis

A WANDERER IN AFRICA

Searching a Continent for Legendary Big Game.

A TRAIL ENDED IN KENYA.

American's Employment Problems From the Cape to the Equator.

The number of people who wander about Africa is surpris-ing. The so-called "Dark Continent," its wild game and its erstwhile savage tribes apparently offers few terrors to the wanderer

Two foung men arrived in Nairobi last week. They were travelling through Africa, finding occasional thrilla and much experience at a cost of less than £30 a month

The writer of the following article is an American tourist of an unusual type. To supplement income, he travelled in vaudeville over the circuit of the South African Theatres, worked with various commercial art agencies, and drew cartoons for some of the newspapers including a series of political subjects now running in the South African election campaign.

At Cape Town he made papier mache statuary for an exhibitor at Rosebank Agricultural Show.

is now connected with the Metro-Goldwyn Meyer Motion Picture Co., having met them in Nairobi by

He made all arrangements for employment after he arrived

A. COUNTRY OF THE UNEXPECTED.

This shows party gains as follows:-

Labour	***		
Liberals		200	
Independ	ents		
Conservat	TAG	***	

The late editions of the morning papers represent-ing all parties are agreed in warning their readers that yeaterday's results which were mostly those from industrial constituencies are in no way necessarily to be regarded as a safe indication of the tendency through-out the country as a whole.

(At the time of going to press there were still nearly 400 results to come.)

The Personal Side

(THROUGH REUTER'S AGENCY.)

Sir Thomas Inskip, the Attorney-General has been unseated by Labour at Bristol Central. Sir Vivian Henderson, Under Secretary, for

Home Affairs, has been defeated at Bootle in a three-cornered contest.

Sir Herbert Samuel (Liberal) ex-High Commis-sioner of Palestine, has gained the Darwen seat from the Conservatives.

Mr. J. R. Clynes (Labour) has been re-elected. Mr. S. Saklatvala (Communist) has been unseated

Mr. Oliver Baldwin (Labour) the son of the Pre-mier has been elected for Dudley.

Three Birmingham seats have been gained by

Sir Austen Chamberlain, Mr. Neville Chamber-lain, Mr. Amery, Sir Samuel Hoare and Sir L. Worthington Evans have been returned.

Sir Arthur Steel-Maitland, Minister for Labour, has been unseated at Erdington, Birmingham, by

Sir W. Joyason-Hicks (Home Secretary), Sir Boyd Merriman (Solicitor-General) and Sir Kingsley Wood (Parliamentary Secretary for Health) have retained

Celebration of His Majesty the King's Birthday.

3rd JUNE, 1929.

A Ceremonial Parade and March Past will take place at Government House at 10-10 a.m. on Monday, 3rd June. His Excellency the Acting Governor and Commander-in-Chief will be present and will take the Salute.

The Parade will be under the command of the Hon-Officer Commanding Troops, Lieut.-Colonel R. Wilkinson,

His Excellency the Acting Governor considers that the tore is one of the occasions on which it would be suitable r those members of the public who are in possession of sdals and decorations to wear them.

Traffic and car parking arrangements will be publish

KING AGAIN CONFINED TO RED.

Due to Chill at Queen's Birthday Party.

THROUGH REUTER'S AGENCY.

King's doctor, mirror over room.

The believed the chill was contracted by His Majesty when the statended a pience party at Freymore last Mengday in celebration of the believely or First Majesty the Ofeen. Should have been contracted that His Majesty will be open the statended as the statender of the Majesty will be completely recovered in time to attend the Thanksgiving Server on June 10.
