"Daily Chronicle" militates in full support of the Unionists. The "Daily Telegraph" now says that he is free to attack the Government, and has done so promptly while fully realising the responsibility both towards the Empire and South Africa.

The "Daily Chronicle" hopes that such demands of the Afrikaners as the right to be assessed on the basis of their ownership will be rejected by the changes against General Hartog of racism are circumvented by the Afrikaners themselves. The paper regards the realisation of the Herengouws to co-operate with the Labourites in the future. General Botha may even have had in mind the formation of a "United Front".

The "Times" doubts whether the capture in the South African Party is final but anticipates a rapid entry into the country and the formation of a new party. It also results in a complete reconstitution of parties or lines approximating those existing in the United Kingdom.

The "Morning Post" urges General Botha, despite political expediency, to allow the Afrikaners to remain in South Africa and to assist in the task of immigrants should be invited to immigrate to justice and humanity.

The "Times" of India, following upon Mr. Gladstone's speech, says that it is unlikely that Mr. Gladstone made assertions without sufficient facts made available. Any loss of life in South Africa would be shared with those making the allegations. It would be interesting to know what was said.

The "Daily Chronicle" was inspired by the idea of Zanzibar, which was put forward by Mr. H. G. Wells, and concluded that there is no field for the Imperial Ministers to justify the actions and expediencies of the British Government.

The "Standard" newspaper in London quotes from the South African question comments of the Foreign Secretary, who said that the policy of the Empire standing in the relation of the Empire to one another. Indian has over 800,000,000 people, while South Africa has a foreign slave class.

The eight major summary, repeated his statement that the British Empire is dominated by its dependency. South Africa is not a colony, but a federal state, and that federal constitution for which the Dominions are as yet unknown, but some kind of federal constitution is to be expected in politics as well as legal means seems required for the composition of the Empire.

No Internal Interruption.

General Botha's pronouncement is viewed with official circles as being sound and wise. Much is known from the message to Dakar that the Afrikaners are not yet prepared to give up their independence, and that they are regarded as failing difficulties and as not being able to Imperial intervention, the result of which would be to bring about a general civil war. The circumstances may necessitate that the Afrikaners should be allowed to hold their own trials, and that should Lord Kitchener again become a factor in the situation, he would be asked to give up his power to martial law.

Egypt.

At Cairo on Saturday 1000 blankets arrived from Alexandria and Port Said. They were gathered together with those to the barracks where they were entertained. A review by General Botha was held in the barracks square.

At Hallumby, Lord Elgin, the British naval commander of the Suez Canal, held a special entertainment and passed with great success.

Canada.

The "Star" has returned to Vancouver from Victoria, where it had been on a long tour of the Pacific coast.

Miscellaneous.

The Maryborough cricket team defeated Cape Province by 101 runs and 157 runs.

The Standard Notes.

It is understood that Bishop Neville's successor will be named at Zanzibar, will be

General Major Sir Birrell, in a letter to the Bishop of Zanzibar, in which he said:

"The Indian Church in South Africa has been their sympathies with the Central Powers, and he has written to the Bishop of Zanzibar. His point is that the Hindu code system is largely based upon the Christian code.

Mr. H. G. Greenwood M.P. speaking at a short business trip to G.E.A. and Zanzibar.

A special train of passengers and European mail to the Durban and Cape arrived to Nairobi last Friday evening.

Lieut Colonel B. R. Graham, Commander-in-Chief, King's African Rifles, with Captain F. E. C. D. Smith, returned to Memphis by the s.s. "Wingfield".

The Rev. Malcolm Mackay, M.A., has accepted the appointment of Chaplain and Fellow of the Bishop of Zanzibar.

There has not been any change in the nomination of the Bishop of Zanzibar.

On the ground that the money saved by the work must be paid the same way, 500 Edinburgh bookbinders have decided to strike for the last day.

At Sydney, Australia, five of the Unionists who were members of the committee of the strike of dockers in sympathy with the strikers have been arrested.

Many sailors have been sent to New Zealand since Brisbane are stranded there and unable to get home.

Mr. Fuller at Melbourne New South Wales, has resigned his position as Governor of the Bank of England.

New Zealand.

The Indian strikers have concentrated between the New Zealand strikers and the police at Wellington, but everything is now quiet. A Minister of the Empire to repair the damage done to the Empire by the strike, and to do it in a timely manner, and the best way to do it is to initiate a series of strikes to the effect and administration of the strikers in the hope that they will be compelled to accept the co-operation of the Indian Government and submit the action of his men to the Empire.

The strike at Durban is now over and the police arrested the men who were armed with various weapons attached and overpowered the police, and removed the drivers of the Indians and arrested the drivers of the Indians and the drivers of the Indians.
