NAIROBI, FRIDAY, JUNE 27, 1958.

DANCING AT NEW STANLEY COMMENCES AT 8 PM SATURDAY JULY 26th and AUGUST 2nd.

EAST AFRICA'S FRIENDS SPEAK OUT.

Emotional Speeches at the Annual London Dinner.

WHITE PAPERS DENOUNCED.

Hon. Neville Chamberlain Stands by the Settlers.

Labour Government's proposals to settle the East African problem were summarily dismissed by members at the East African Dinner in London on Wednesday night.

The chief guest of the evening was the Rt. Hon. Neville Chamberlain who, on his return from East Africa, was recently appointed Chairman of the Conservative Party.

Chamberlain said the proposals suggested that the white settlers in the Territories were only three out of six and he asked for justice for both races on the statement of the principle of "parity."

NATIVE "PARAMOUNTCY."

Mr. Chamberlain said in a speech that the white settlers had done more for the natives than the natives had done for the white settlers.

He said that the white settlers had done more for the natives than the natives had done for the white settlers.

He said that the white settlers had done more for the natives than the natives had done for the white settlers.

He said that the white settlers had done more for the natives than the natives had done for the white settlers.

# SETTLERS DISCUSS CLOSER UNION.

## Conversion to European Elected Majority.

### "A BETRAYAL OF BRITISH ELEMENTS."

#### Change in Constitution Without Colonies' Consent.

Resolution that the settlers of Kenya Colony are making a great blunder in the Imperial Government's statement on Crown Union and the memorandum on native policy in East Africa, was passed by the executive committee of the Kenya Settlers' Association at its meeting at the Kikuyu Settlers' Association, Nairobi, on Monday, June 11th.

The meeting was held in the presence of the Hon. Mr. J. H. Wilson, M.P., who presided.

The Hon. Mr. Wilson, in his address, stated that the Imperial Government had pledged that no change in the constitution should be introduced without the consent of the Colonies.

## THE WILSON "CONCESSIONS."

The Hon. Mr. Wilson's statement was met with a storm of protest. The Hon. Mr. Wilson was accused of betraying the interests of the settlers. It was stated that the Imperial Government had no right to make such a statement without consulting the Colonies.

The Hon. Mr. Wilson's statement was also criticized for its failure to mention the rights of the settlers. It was stated that the Imperial Government had no right to make such a statement without consulting the settlers.

## The Native Question.

The Hon. Mr. Wilson's statement was also criticized for its failure to mention the rights of the natives. It was stated that the Imperial Government had no right to make such a statement without consulting the natives.

## The Settlements.

The Hon. Mr. Wilson's statement was also criticized for its failure to mention the rights of the settlers in the settlements. It was stated that the Imperial Government had no right to make such a statement without consulting the settlers in the settlements.

## Medical Notes.

A letter dated 27th March 1920 from the Hon. Mr. Wilson, M.P., to the Hon. Mr. J. H. Wilson, M.P., regarding the Imperial Government's statement on Crown Union and the memorandum on native policy in East Africa.

## The Hon. Mr. Wilson's Statement.

The Hon. Mr. Wilson's statement was met with a storm of protest. The Hon. Mr. Wilson was accused of betraying the interests of the settlers. It was stated that the Imperial Government had no right to make such a statement without consulting the Colonies.

ENQUIRIES BY BOARD OF AGRICULTURE.

programme Covering a Wide Field.

FIFTEEN SUBJECTS.

From Credit Facilities and Education to Bread and Sugar Costs.

The Kenya Board of Agriculture and Development has drawn up a programme of subjects which it proposes to investigate.

The field of enquiry is already wide but the Board will welcome every suggestion made for further lines of investigation helpful to the agricultural industry of the Colony.

Subjects already decided upon include:

- Agricultural Credit. Production Costs. Transport Systems. Greater use of Local produce. Mixed Farming. The Pig Industry. Native Cattle Improvement. Technical Education. The Sugar Industry. Prices of Local produce.

In connection with the last item the Board intends to examine the economic history of a product from producer to consumer—e.g., the conversion of wheat into a loaf of bread.

TRANSPORT PROBLEMS.

The Board of Agriculture has prepared a programme of subjects for a programme of investigation to be carried out during the course of these subjects, from the point of view of the consumer. The Board will also be investigating the various aspects of the transport problem which are connected with the production of local produce. The Board will also be investigating the various aspects of the transport problem which are connected with the production of local produce.

1. Agricultural Financial Facilities. Investigation of the systems of credit available to the farmer and the various ways in which the Government can assist the farmer in obtaining credit.

2. Marketing of Agricultural Produce. Investigation of the various methods of marketing agricultural produce and the various ways in which the Government can assist the farmer in obtaining a better price for his produce.

3. Mixed Farming. Investigation of the various aspects of mixed farming and the various ways in which the Government can assist the farmer in obtaining a better price for his produce.

4. Land Tenure. Investigation of the various aspects of land tenure and the various ways in which the Government can assist the farmer in obtaining a better price for his produce.

5. Road Transport. Investigation of the various aspects of road transport and the various ways in which the Government can assist the farmer in obtaining a better price for his produce.

6. Irrigation. Investigation of the various aspects of irrigation and the various ways in which the Government can assist the farmer in obtaining a better price for his produce.

7. Agricultural Extension. Investigation of the various aspects of agricultural extension and the various ways in which the Government can assist the farmer in obtaining a better price for his produce.

8. Agricultural Education. Investigation of the various aspects of agricultural education and the various ways in which the Government can assist the farmer in obtaining a better price for his produce.

9. Agricultural Research. Investigation of the various aspects of agricultural research and the various ways in which the Government can assist the farmer in obtaining a better price for his produce.

10. Agricultural Statistics. Investigation of the various aspects of agricultural statistics and the various ways in which the Government can assist the farmer in obtaining a better price for his produce.

11. Agricultural Marketing. Investigation of the various aspects of agricultural marketing and the various ways in which the Government can assist the farmer in obtaining a better price for his produce.

12. Agricultural Production. Investigation of the various aspects of agricultural production and the various ways in which the Government can assist the farmer in obtaining a better price for his produce.

You want radio set but you want an electrical gramophone too, but you don't want the heavy expensive double proposition either. That's where the PHILIPS CASAPHONE comes in, the only instrument which is able to satisfy you in every respect. It's a radio set and gramophone amplifier all in one—gives you the nearly stations with wonderful purity and realism, and it contains three real gramophone records with that beauty and volume attainable by no other means. The keen success of the remarkably compact model is fitting tribute to its outstanding performance.

**SOME OUTSTANDING features: equipped with 7" Philips "Hiwatt" valve tank, a Fidelity-type arm which claims up to 12000 rpm—4500.**

The Wheat Industry.
SHELDON GIBSON FOUNS THEIR OWN ASSOCIATION.

To the Editor, 'E.A. Standard.'
In considering the question of the wheat industry, the members of the Press who have written this article have taken into account the latest information on the subject.

There would be a case for the wheat growers having their own association, but this is not the case at present. The wheat industry is a very important one in Kenya, and it is necessary to have a body which can represent the interests of the growers.

The K.P.A. claims to have a membership of 800 out of the 2,600 farmers in the country. It is necessary to have a body which can represent the interests of the growers, and it is necessary to have a body which can represent the interests of the growers.

The K.P.A. and the growers of the wheat industry are not all the same. It is necessary to have a body which can represent the interests of the growers, and it is necessary to have a body which can represent the interests of the growers.

It is necessary to have a body which can represent the interests of the growers, and it is necessary to have a body which can represent the interests of the growers. It is necessary to have a body which can represent the interests of the growers, and it is necessary to have a body which can represent the interests of the growers.

It is necessary to have a body which can represent the interests of the growers, and it is necessary to have a body which can represent the interests of the growers. It is necessary to have a body which can represent the interests of the growers, and it is necessary to have a body which can represent the interests of the growers.

THE COUNTRY PROPERTY.
To the Editor, 'E.A. Standard.'
I have read your article on the subject of the country property, and I am glad to see that you have taken into account the latest information on the subject.

The country property is a very important one in Kenya, and it is necessary to have a body which can represent the interests of the owners. It is necessary to have a body which can represent the interests of the owners, and it is necessary to have a body which can represent the interests of the owners.

The country property is a very important one in Kenya, and it is necessary to have a body which can represent the interests of the owners. It is necessary to have a body which can represent the interests of the owners, and it is necessary to have a body which can represent the interests of the owners.
