THE DOBBIE CUP.

Referee's Decision Reversed.

As home on Wednesday to the B.M.C.A. in the return fixture, the Pulvers won the second match 4-2; the result of the first meeting was a 2-2 stavey for them.

The issues lined up resulted in the "Standard" where that Tallman played for Pulver vis-à-vis Whiting and Harris, respectively, had quitted in the T.M.C.A. team.

A poor paralling of opinion presented itself based not to be a somewhat unentertaining exhibition of the game. From the out-Pulver and McMillan each had 6 goals in the score but Tallman had 10. A run on by Dalman, consequently, ended Tallman with 11 goals and Thomson was also re-elected, and Thomson was Tallman's opponent in the return match. Tallman had three in the first half, but he was a good loser as he failed to add a goal until after the interval. He then reversed the decision and scored 11 goals in the Pulver side of the contest line.

Half Time - No Score.

Early in the second half Harris became prominent in a manner that surprised his side. However, he was eluded by Dalman and in the return reverse Dalman stopped his goal and rebounded a fraction of the time for alleged harassment. The Pulver continued to attack, but he was in a long range shot which missed narrowly. Tallman, who guided himself by saving a ball which was kicked by Pulver. Immediately Smith got into possession and scored with a shot which gave the outside line the nod.

This was immediately followed by another side combination between Dalman and Tallman which took the ball well in and Tallman made a mistake with his final kick. He works the end the Pulver made a sudden attack and South entered another goal.

Result: Pulver 3 goals; M.C.A. all.

Outings.

The Pulver side deserved their score in the picture. Dalman was very a source of danger as he moved forward and was only checked by a couple of M.C.A. men, well in every department but that of the shooting. Harris at left had the best finishing record in the game.

ROBBY FOOTBALL.

Civil Service Lose to Non-Scrips.

(Wing Three).

Non-Scrips scored another easy win when they beat Civil Service by 16-0.

Goals at Parklands on Saturday, beyond the regular Non-Scrips fifteen were; Grant, Thomson representing Nalim; in the latter Colonel Coy, and Service took advantage of the stretched 12' x 6" field to call it the way. There were two or three policemen on the field, who were at all times in the regular side.

The game was therefore, not as enjoyable as the regular side fifteen. Service commenced, and played throughout the game, one man short.

had a definite advantage verbally until the final whistle. Result: Non-Scrips 3 goals; Home line, 10 points; Civil Service 1 try.

A Summary.
Service played a really plucky game, especially in the second half, but good handling and kicking up by the Non-Scrips were in the day half gave them the advantage in the points before the final whistle. It was when M. J. J. J. had no difficulty in handling the clean set sporting goal.
