# TO PHOTOGRAPHERS.

#### AMATEUR OR PROFESSIONAL.

On the 5th July we are inaugurating a Snapshot Competition, open to any photographer-amateur or professional-without any stipulation whatever. A special prize of Rs. 15 will be given every week for the best and most interesting anapshot sent. While the competition is open to photographers in any part of Africa, we especially appeal to amateurs and professionals in East Africa and Uganda to respond right heartily so that every week some feature of these promising lands can be reproduced. The magnificent scenery, the flora and fauna, the many incidents occurring on the farm, in the field, and on safari sh uld afford ample opportunity fo the camera. The every day life of the settler and the native should also afford capital material for good snapshots.

FULL PARTICULARS ARE GIVEN BELOW.

### Our Snapshot Competition.

The proprietors of the "EAST AFRICAN STANDARD" WEEKLY EDITION offer a SPECIAL PRIZE of

#### FIFTEEN RUPEES EVERY WEEK

for the best and most interesting snapshot sent in by any photographer, amateur or professional.

No Entrance Fee. ---

The only stipulation made is that the picture should depict some scene or incident in any part of Africa, preferably East Africa or Uganda. Pictures taken on board ship

The photographs may be views of scenery, portraits, moving figures, animals, ships, public events, sporting incidents, or any subject that the competitor may select.

No award will be made unless six competitors submit photographs. If less than six are sent in they will be carried forward to the following week.

Every photograph should bear a title, and the name and address of the sender written in pencil on the back.

Silver prints are preferred, though not essential. On no account should negatives be forwarded.

The Editor reserves the right to reproduce any of the competing photographs which are not awarded prizes.

Consolation prizes will be given occasionally.

The decision of the Editor will be final, and will rest

with him alone. Envelopes should be marked "Snapshots," and should

## TO PHOTOGRAPHERS.

#### AMATEUR OR PROFESSIONAL.

We have inaugurated a Snapshot Competition, open to any photographer-amateur or professional-without any stipulation whatever. A special prize of Rs. 15 will be given every week for the best and most interesting snapshot sent. While the competition is open to photographers in any part of Africa, we especially appeal to amateurs and professionals in East Africa and Uganda to respond right heartily so that every week some feature of these promising lands can be reproduced. The magnificent scenery, the flora and fauna, the many incidents occurring on the farm, in the field, and on safari should afford ample opportunity for the camera. The every day life of the settler and the native should also afford capital material for good snapshots

FULL PARTICULARS ARE GIVEN BELOW.

## Our Snapshot Competition.

The proprietors of the "EAST AFRICAN STANDARD" WEEKLY EDITION offer a SPECIAL PRIZE of

#### AMATEUR OR PROFESSIONAL.

We have inaugurated a Snapshot Competition, open to any photographer-amateur or professional-without any stipulation whatever. A special prize of Rs. 15 will be given every week for the best and most interesting snapshot sent. While the competition is open to photographers in any part of Africa, we especially appeal to amateurs and professionals in East Africa and Uganda to respond right heartily so that every week some feature of these promising lands can be reproduced. The magnificent scenery, the flora and fauna, the many incidents occurring on the farm, in the field, and on safari should afford ample opportunity for the camera. The every day life of the settler and the native should also afford capital material for good snapshots

FULL PARTICULARS ARE GIVEN BELOW.

## Our Snapshot Competition.

The proprietors of the "EAST AFRICAN STANDARD" WEEKLY EDITION offer a SPECIAL PRIZE of

#### FIFTEEN RUPEES EVERY WEEK

for the best and most interesting snapshot sent in by any photographer, amateur or professional.

#### No Entrance Fee.

The only stipulation made is that the picture should depict some scene or incident in any part of Africa, preferably East Africa or Uganda. Pictures taken on board ship will be eligible.

The photographs may be views of scenery, portraits, moving figures, animals, ships, public events, sporting incidents, or any subject that the competitor may select.

No award will be made unless six competitors submit photographs. If less than six are sent in they will be carried forward to the following week.

Every photograph should bear a title, and the name and address of the sender written in pencil on the back.

Silver prints are preferred, though not essential. On no account should negatives be forwarded.

The Editor reserves the right to reproduce any of the competing photographs which are not awarded prizes.

Consolation prizes will be given occasionally.

The decision of the Editor will be final, and will rest with him alone.

Envelopes should be marked "Snapshots," and should be a companied by a note bearing the name and address of the sender legibly written, and an intimation that the photograph is forwarded for the Snapshots Competition.
