the Commissioner of Customs intervened in the debate on the Estimates yesterday. He declared that all the main factors in connection with Customs revenue had been given due consideration and that the resultant estimates were not a wild guess but a reasonably prudent forecast of what was likely to happen.

ernment, he said, was not anticipating a national disaster and had not budgetted with such an eventua-lity in view. On the contrary it was reasonable to suppose that the upward tendency would begin to assert itself before the end of next year.

ras revealed by the Acting Member for Nairobi North that traders who had replied to the Chamber of Com-merce request for their views on the Budget were generally of the opinion that prospects for next year were not such as to justify Budget calculations.

A plea for the employment of more Kenya people in Government service was put forward by the Member for North Kenya who suggested that a useful alogan in this confliction would be "Our own people first".

Acting Member for Nairobi South after stressing the need for further settlement referred to the need for more publicity about Kenya and urged that the Colony's interests in this respect would best be served by the creation of an office in London devoted exclu-sively to Kenya.

One of the most interesting transfers of the close is that of David Colquboun, St. Mirren's right halfback. He has been secured by the Spura.

Muthaiga will be without the services of Sharvelle, their star centre threequarier. It is understood that Johansen will turn out for the Muthaiga club.

Micky Walker, who put paid to Tommy Milligan's career in the ring, is to have a fight with Max Schmeling for the world's heavy-weight title. Since mov-ing out of the middles Walker has made marked neurons.

Nurmi, competing at the Ra

Shrubb's time.

Shrubb put up his time of 19 minutes 23 2/5 seconds at Ibrox park in 1904, and Nurmi broke the record on the same track. Despite his achievement. Nurmi failed to gain a place in the race, an invitation event.

During the race J. F. Wood put up a new Scottish native re-cord for the three miles of 14 minutes 44 1/5 seconds.

Police and Commercials drew their Gireuard Cup game this week, and the replay is down to take place this evening on the ground of the Railway Club.

To-morrow afternoon the Gi-rouard Cup game between Mem-basa and Callies is down to be decided. It is a pity that this match should clash with the final of the Nairobi and District Rugby championship. Both games must suffer in attendance.

The soccer season at home will be in full swing to-morrow, when the game makes a start in England. Arsenal's opening match is against the cupholders, West Bromwich Albion.

McNamara, the Commercials wicket-keeper, stumped no fewer than four Muthaiga players and caught another in that club's only innings in the opening match of the Nairobi Cricket league on Sunday.

Glamorgan are not to re-engage Bates, Ball and Byan. Financial reasons are given as the cause. A. W. Carr, the Notts captain, has sustained a broken thumb, and will not play again this season.
