THE MANCHURIAN ISSUE.

To the Editor, "E. A. Standard," Sir,—I wish with the greatest pleasure to read your issue of the 14th of October with reference to the Sino-Japanese dispute in Manchuria and I would like to give a few lines of the same which have led up to the present crisis.

Your issue of the 14th of October has led me to say that the present position in Manchuria has led to the present crisis. It is a purely vegetable product. Your teeth are every day's teeth—defend them with

WORLD WARMS AND WEATHERS.

To the Editor, "E. A. Standard," Sir,—Certain allusions to Communist activities contained in Diego's letter to you in today's Standard I would like to state. I am sure that it is not intended to indicate that the Communists are engaged in any kind of activity in this country. I am sure that the Communist party in this country is a purely theoretical organization which has no real power. CHESS

By A. H. Spencer Palmer, Life-Member Brit. Chess Fed., T.O. Dist. No. 1, Nairobi. Members and all chess players should be posted along the Chess Column. Clubs use the East African Chess Club as its position and address. Interesting notices and settings are welcomed from readers. Responses normally appear two weeks after their respective problems.

TOTAL

The Top 10 Match. This may easily be described, in the words of some of our Indian players, as "One of the very best chess evenings ever seen in Nairobi", and that it was a real treat. The H. H. Board Committee assure us that they are only too pleased to have such amusing and distinguished players in town, and they will invite us again soon. It is suggested that a lightning set speed, if you prefer. Extended courtesy might be held next time. By way of relieving the proceedings without delay it was arranged to play first one round of lightning (i.e. 15 seconds per move) where they all enjoyed it so much that, instead of releasing into heavy slow chess in a team match on what they decided to continue to play into the lightning tournament, which the speed limit makes really too rapid, even for 20 competitors, to finish in one evening. The first round resulted as follows: Winners—Berkat Ali, Khandi Das, Khabirali, Davidson, Spencer Palmer, Dastur Han, S. Mankhi, F. H. Anstie, Bounwala, Ward. Losers—G. Tanner, E. C. Brynes, Rev. G. R. Christie, J. M. Math, Popellal G. Matha, I. H. Hardman, Asharia, Miss Dorothy A. Harris, Bahik Bahik. (These names are in proper order, from which it will be seen that Berkat Ali beat Hardman, Dastur Han beat Christie, Khabirali beat Christie, and also "Anstie" for the Indian Reserve).

The first round divided the competitors into "Winners" and "Losers", who then each played back-to-back, normally, and themselves. Berkat Ali came out as "Champion of the Winners", and Hardman as "Champion of the Losers". As Mr. C. Brynes rightly suggested: "These two gentlemen then played a final game which was won by Hardman, who thus became the "Lightning Champion", in addition to his previously well-earned title of "Super speed Champion" of Kenya chess.

The details are as follows: Winners—1st round—Berkat Ali, Khabirali, Davidson, Mankhi, Ward, Bounwala. 2nd round—Berkat Ali, Mankhi, Bounwala. 3rd round—Berkat Ali, Mankhi, Bounwala. 4th round—Berkat Ali, Mankhi, Bounwala. 5th round—Berkat Ali, Mankhi, Bounwala. 6th round—Berkat Ali, Mankhi, Bounwala. 7th round—Berkat Ali, Mankhi, Bounwala. 8th round—Berkat Ali, Mankhi, Bounwala. 9th round—Berkat Ali, Mankhi, Bounwala. 10th round—Berkat Ali, Mankhi, Bounwala.

The opponent usually thanked the Editor for the enjoyable evening, and wished good luck to the departing players Khabirali and F. G. Matha, who are going to India.

SOLUTIONS. These are held over because the Editor is spending some of this week out of town.
