THE LONDON-CAPE TOWN AIR RECORD.

Two Attempts To Break It This Week

SOCIETY GIRL'S ADVENTURE

Two attempts on the England-Cape Town air record are being made this week.

One is by a 19-year-old South African girl who hopes to reach Entebbe to-day.

Mr. A. J. Mollison intends to set out early to-morrow morning, flying the same machine as that with which he won the Australia-London air record.

A third airman started off in a tiny machine hoping to beat the record flight to Australia.

Expected at Entebbe To-day.

first meeting of the Road Transport Control Beard, appointed under the Carriers of Goods by Motor Ordinance met in Kairob co. Monday to consider applications for licences by owners of motor lortes to carry goods over certain specified roads in Kenya.

Railway Administration was represented and a general objection was lodged to the granting of any of the Bonese, chiefly on the grounds that the forcies would only carry certain classes of goods at lower rate than that charged by the railway which had to carry all classes, some at a very low

as also pointed out that the railway carried a transndous tonnage for export. This class of traight would not be carried by the forries, which only transported goods on which higher rates were charged. In this way, it was alleged, the curries were "picking the eyes." of the transport

Iway Administration, however, were preprinted and a subjections, if the vehicles lice a prepared to charge rates equal to the railway.

ras also submitted by the Director of Publica opposing all applications on the groundle lorry services would cause unreasonable to the roads, and that the conveyance by the railway was adequate.
