AMAZING COMMUNIST PLOT IN THE FAR EAST.

Sensational Discoveries in Propaganda Centre.

THREAT OF REVOLUTION Connection Established With The Third International.

The amazing extent of Communist propaganda in the Far East has been discovered by the arrest at Singapore of a Communist propagandist, from which the authorities of the International Secretariat at Shanghai raided a propaganda centre covering the whole of Asia and the Pacific.

It is asserted that this action has probably averted revolution, bloodshed and chaos throughout the East.

The Centre is said to have been in touch with many subversive agencies and to have attempted to establish contact with trade unions in India.

In Touch With India.

It is reported that the Communist propagandist was in touch with the authorities of the International Secretariat at Shanghai and that he was in touch with the Communist propagandist in London.

WHAT THE LAND BANK HOPES TO ACHIEVE.

Broadcast Address by The Secretary.

To HELP THE SMALL MAN. A Business Institution Which Must Work on Proper Lines.

Some time ago the Government of Kenya promised that a state bank would be formed for the benefit of the small man. The bank was to be owned by the Government, but the Secretary of the Land Bank has just broadcast from 710 A.M. which explains the reasons for the formation of the bank for which, as the speaker has had to explain, the Government is not prepared to do more than to guarantee the loan.

The Land Bank speaks in the name of the Government of Kenya, but it is not a Government institution. It is a business institution, and its object is to help the small man. It is not a bank for the rich, but a bank for the poor. It is not a bank for the Government, but a bank for the people. It is not a bank for the Government, but a bank for the people.

Mr. Dowling of Maluru tells me that the most reliable method of treating a dog's skin is to use a good quality of kerosene. This is the best way to get rid of the itching and the dog will be comfortable in a few days. I have used it myself and it is just what I needed. I have used it on my dog and it has worked very well. KENYA'S EXPECTED 1932 INCOME.

Where Government Hopes To Get The Money.

ARE THE FIGURES TOO HIGH?

Several Sources Expected To Yield More Than This Year.

The Kenya Government expects to obtain revenue for 1932 of approximately £2,300,000, says a source here. This is an increase of £200,000 over the £2,100,000 expected for 1931.

The actual receipts in 1930 totalled £2,343,000, so that the Government's estimate for 1932 is £200,000 less than the actual receipts of 1930.

It may be anticipated that the Government's estimates for 1932 are based on the assumption that the revenue from the various sources will be about the same as in 1931.

Currency Details.

One of the largest sources of revenue in Kenya is Customs duties. The revenue from this source for 1931 totalled £1,000,000, but the Government expects to receive £1,100,000 for 1932.

General Taxation.

The 1931 Budget included the new administration. The revenue for 1931 was £2,100,000, but the Government expects to receive £2,300,000 for 1932.

Land Sales.
