50 MILLION FRENCHMEN CAN'T BE WRONG

We don't actually mean that 50 million Frenchmen use Ford cars, but what's it matter, you're reading our advertisement—

Seriously though, has it ever struck you that extraordinarily good value a FORD is?

Dash it is!—look what you get for your money! Smooth power, ease of control, snappy acceleration, constipation like an ox, which makes it stand up under driving and rough usage.

We think you'll agree that for sheer value for money, there isn't a car to touch the FORD.

The London-Cape air service was inaugurated shortly after noon on Wednesday when the first machine left Croymond. Many East Africans gathered for a historic occasion.

Perhaps the most interesting experience will be that of Major E. S. Grogan who was the first European and probably the first man to walk from the Cape to Croymond less than 40 years ago and will be one of the first passengers to use the most modern method of travel from the Cape to Croymond.

"I shall have the most wonderful experience of any living man," Major Grogan declared in a London interview ten days ago.
