## Cease Fire" Sounded on Chinese Front.

FIGHTING STOPPED PENDING NEGOTIATIONS.

Sensation at Geneva.

### REPORT OF FURTHER OUTBREAK DURING LEAGUE PROCEEDINGS.

There have been issued to both the naval and military forces of Japan to cease operations against the Chinese troops. These orders came as a surprise to Shanghai as it was understood that the Japanese were anxious to wipe out their inveterate enemies, the Chinese Army, who were chiefly responsible for the Chinese resistance.

The cease-fire round Shanghai is in flames, as a result of the Japanese advance, and the city is overwhelmed by a huge pall of smoke from three at Chapel, Pashan and Kiangnan.

The cease-fire was reported by the spokesman of the Japanese Government to the ground of the cessation of hostilities. A report by Dr. Yen that fighting had broken out again caused consternation, but this report was subsequently denied.

During the course of a speech Mr. Paul Boncompagni, President of the Council paid tribute to Admiral Sir Howard Kelly, and the British Government in bringing about the settlement.

## Tributes to Britain.

Shanghai, March 5.—The Japanese Government has ordered the navy to cease operations against the Chinese troops. It has also ordered the army to cease operations against the Chinese troops. It is expected that this will give a considerable boost to the morale of the Chinese.

The continuation of food by leaf and stem is a very important and difficult problem. A scientific setting for a second time on a piece of meat leaves in its wide middle of harmful bacteria. These bacteria are the least in an enormous extent of harmful bacteria. They may not be detected by small, light or taste and smell after the food has been eaten and is still in the stomach.

This refrigerator has your food in a safe and healthy condition. It is the only one of its kind in the world. It is the only one of its kind in the world. It is the only one of its kind in the world.

Porthsmouth v. Arsenal 38/15 2-2.  
Sheff. Wednesday v. Chelsea 2/50 2-2.  
Walford v. Brentford 2/50 2-2.

(Special reporter.)

London scored nearly all the glory from the Fifth round, for Liverpool were only beaten by one with foreign and Chelsea also scored a reply. Of the six teams which went into the draw on Friday, only Chelsea and Walford, had not previously won the Cup.

One of the scoring Wingers. The Arsenal scorers that glory since they were defeated in their first match in the Fourth round. The London team demonstrated the value of their foreign imports, Beattie and Robinson, who have scored more goals than any outside club since the

game started the teams. It is a curious fact that of the 20 goals scored in the five rounds of the Fifth round, five from scores featuring the London side. The first goal was scored from a half back and was scored by a London player. The second goal was scored by a London player. The third goal was scored by a London player. The fourth goal was scored by a London player. The fifth goal was scored by a London player.

Goalkeeper's Delinquent. In the Wednesday-Christians match, it was largely due to Chelsea's own foolish delinquency that the replay for Wednesday's home team was at all. It was hard, grating football from start to finish and it proved that the game was uninteresting as after 20 minutes it looked as if Wednesday would win. The fact was, however, when the lead was secured late minutes from the start; the Sheffield and Walsley and Blackburn were unable to cope with M.D. Clarke and Wilkin and there could be no doubt but that the London side were the better as good as the leading up work. Blackburn would have had some goal if the London side were in a wonderful half from Law, but they were not. The London side were in a wonderful half from Law, but they were not.
