DE VALERA'S DECLARATION IN REGARD TO OATH.

Bill Again Before the Dail.

DESCRIBED BY OPPOSITION LEADER AS POLITICAL CHANCERY.

The De Valera Government was defeated in the Dail on Wednesday, the Labour members voting with the Opposition against the Government's proposal to ratify the whole of the Oath of Allegiance Bill, one of the most important. The Government accepted the Bill.

In moving the second reading of the Oath Bill, Mr. De Valera declared that "at the moment the people are quite ready to lead them." He added that the Government would not be bound to accept the Oath Bill, but would do so if it was the will of the people.

He stressed that the removal of the Oath was a violation of the Treaty with Britain. He further stated that he did not intend to be drawn into any negotiation on the subject.

Mr. W. T. Cosgrave described the Bill as "one of the greatest pieces of political history in history."

A Government Defeat.

London, April 27. (Reuters)—The Government was defeated in the House of Commons today by 178 votes to 104 on the second reading of the Oath of Allegiance Bill. The Opposition, led by Mr. De Valera, won the vote.

Hitch in Disarmament Discussions.

BRITAIN DISSATISFIED WITH PROGRESS.

A Blunt Hint.

MAY HAVE TO PROCEED WITH NAVAL CONSTRUCTION.

Due to the illness of Mr. Tardieu, the French Premier, who has been attempting to conclude a structure of disarmament negotiations with the United States, the continuation of the disarmament discussions in London has been postponed.

Mr. Stimson is leaving Geneva immediately, and it is doubtful whether Mr. Macdonald can stay on much longer.
