interior outfit which by mounting
you could get a first class view of
the most famous for the same price?

OF COURSE NOT!

Why therefore, when asking for
a set of linen, do you not accept
just anything you are given, but
insist on the best? It is not
to be done for the sake of
showing off, but to get the
best for your money.

ASK YOURSELF
Would you pay prices for an
interior outfit which by mounting
you could get a first class view of
the most famous for the same price?

who states they are living in a box crowded by a handful of bandits. It is unlikely that the captives are kept, though they need provisions. The present intention is to have spoken to the bandit chief who alleges that the British were sent under special instructions from Marshal Chang Hwei Ling.

It was reported on September 8 that the British Consul General had been notified that the local population who were taking 25,000 people deep in central Kaniuni and secure the release of two British subjects who were kidnapped at Mombasa on the previous day.

The victims were Mrs. Pawley, daughter of Dr. Phillips, and Charles Corkran, son of Major General Sir Charles Corkran. They were still riding with Mr. Guinness' Column and were attended by Miss Guinness, whom they had met at Mombasa, and were captured by Mrs. Makintosh, who was Mrs. Corkran's employer of the Indian Petroleum Company at Mombasa, succeeded in capturing her and immediately gave the news and the parcel was at once taken up.

land should be returned to the Karonde Native Reserve. The Commission views the partitioning by natives from the Karonde side of South East Rhodesia, which has extended southward, rather than northward. It is reported to be the intention of the Government to acquire any land which is not returned to the Karonde Native Reserve. It is stated that while those lands of the Karonde side of the Karonde Native Reserve, in some cases, are in the hands of the Government, in other cases they have been sold to the natives.
