Prices Reduced! In order to keep our large staff employed during the present disturbed state of affairs, we are offering a special discount in our Ladies Departments of 10 per cent.

Ladies Departments of 10 per cent. AND IN OUR Dressmaking and Ladies Tailoring Departments of 15 per cent.

Whilst prices of most goods are going up around us, ours are going down, and we make this gesture in the hope that the Ladies of Nairobi—seldom slow to appreciate genuine reductions—may make their purchases now.

Just Think What This Means! Off the prices you generally pay for your usual requirements 10 cents in every Rupee. Off the estimate of the Dress that you have been contemplating for some time 15 cents in every Rupee.

Notes.—The above reductions only apply to the Ladies' Outfitting and Making-up Departments, as the Staff in our Men's Outfitting and House-hold Furnishing Departments is already reduced to the minimum by the response made to the "Call to Arms."
