WHAT might have proved a serious loss to the Government was prevented by the prompt action of a Government Official. On Tuesday evening about 6 o'clock it was reported to the Superintendent of Inland Revenue that there was smoke issuing from a window on the ground floor of the New Transport Offices of Mombasa. On investiga-tion it was found that the smoke was issuing from a large heap of tents and line ropes which were stacked outside the buildings and on these being removed flames burst out in various directions. Having reference to our Editorial Note has week on the subject of "Sweaking" in British East Africa-we are now in a position to give the view of the Blabop of Moinbass, on the value of recreation and the proper observance of holidays. His Lordship writes us

As a Meeling of the Uganda Volunteer Reserve held at Entebbe on Friday, February 1st. Mr. W. H. de Boltz was elected Sceretary in succession to of Mr. A. C. Knollys who is shortly going on leave.

Mr. F. K. Rowe was appointed Deputy Secretary this post being vacated by Mr. de Boltz. It is very gratifying that this real concern for the welfare of clerks, concern for the welfare of clerks, shop-assistants, and workmen of all grades is manifested, contributing as it does not only to the bettering of physique and to relief of jaded minds, but also to comfort and cheer in many a family circle which would otherwise be described to otherwise be deprived to a deplorable extent of the common round of pastimes and household pleasures.

Locust Destroying with Odame

An interesting photograph illustration is given in the "Cape Times" weekly. It represents an ecomous pile of locuits all killed by hand spraying with Odams deservably famous sheep dip. The discovery that his dip is so fatal to locuate is regarded in the South with much satisfaction and it will be south with much satisfaction and its will be south with such as the satisfaction and it will be south with such as the satisfaction and its satisfaction and its satisfaction and its satisfaction and the satisfaction are satisfaction. reely used in many

THE OLD LADY OF ZANZIBAR

The Government Newspaper Facetious.

Under the date February 18th, the Government Gazette' for Zanzi-bar and East East Africa (sic) takes unto itself much unctuous praise for the excellency of it's parts and trumpets forth the names of some of it's advertisers as evidence to the World of it's worth. All praise is certainly due to the Government in so far as it is the only Government under the British Flag running a Newspaper. The following paragraph taken from the latest issue is quite refreshing in it simplicity. It runs:—"We take this opportunity of informing those who have written to us on the subject that we have no intention of instituting 'Missing Word' com-petitions."

As regards the temporary legislation to 54.4, which your Excellency refers the Association does not consider that as an amendment of substantive law, it will in the least degree mitigate the evils of which we complain. At Sir. 1,000. An immediate suncidenest of the law giving Europeans and Americana a right to trial by jury of Europeans for any offence in accordance with the provisions of the Criminal Procedure Code is urgently required. Moreover, Europeans and Americana can be tried with the aid of Assessors, a procedure to which the Association entertains the own of the Association entertains the second of the control of the control of the which the Association entertains the
