#### IMPORTANT DECISION

Architects' Powers Defined'

GALBRAITH V. TATE-SMITH AND HENDERSON

On Tuesday an interesting decision was delivered by the Town Magistrate, Mr. Mae mullen, in the case of T. H. Galbraith vom Tate-Smith and Henderson, architects. In this, case the plaintiff, Mr. T. H. Gal-braith, who was represented by Mr. Barry A Berlin commission state, and he re this, case the planniff, Mr. T. H. Gair countly the High Sear Pitet has repeatedly below crusing in the North Sea. It al east Mars. Take Smith and Henderson, who was represented by Mr. Barry, to see the planniff, and the state of the prints of t

the pursua new.

A telegram from Berlin reports that the defense as has architect in comection. The state of the part of the party from the "Emfon" seconded with a boose which he washed to build on port of Lida, booth of Jeddal. The Araba plans and specifications and uppersond the attacked them when they were marking with. The contract for the work was attacked them when they were marking with. The contract for the work was three days disk. Turnish hedgures are the plant of the forman bad one lentenant and framework of the state of

The original contract with Wright, Win gate, and Wells was for Rs. 10,500, inclu gate, and Wells was for Its. 10,500; inclusive of architects feet, and the contract was for Its. 10,500; inclusive of architects feet, and the contract was for Its. 20,500; inclusive of architects feet, and the contract was for Its. 20,500; inclusive of architects feet, which was for Its. 20,500; inclusive of architects feet, which was for Its. 20,500; inclusive of architects feet, and the variety of architects feet, and the contract of the cost of the labour and material, plus ten.per cent.

To The plantial alleged that the defendants of the cost of the labour and material.

The plaintiff alleged that the defendants were guilty of negligence: that they had in not authority to order "extras"; (2) that they failed to retain sufficient in money in the accordance with section 26 of the contract with Wright; (3) that they failed to credit plaintiff with the sum saved on the excava-less ons, under the original contract with

one, under the enginal contract with ing for this purpose they are under the training of the contract with the size witness called, stated in the course der tayest contract when the course of the purpose of the size witness called, stated in the course of the purpose of the p

His Worship, in the course of his poler-ce and "The first, and I think this which the first, and I think the which the defendants are or are not antibodied to color curran. Mr. Take-der and the second of the color color and the second of the color co

#### ALLEGED MURDER CASE. FATAL QUARREL BETWEEN NATIVES.

On Thursday night a dispute between a Nubian Asikari and a Kikuyu line-boy, in the K.A.R. lines, led to the former attach-ing the latter, and, it is alleged, severing his jugular vein with a knife. The cause of the dispute is not known. The Asikar will appear before the Town Magistrate to-day, on a charge of murder.

#### TSAR'S POPULARITY.

A WARM WELCOME

[THROUGH REUTER'S AGESCY.]

An historic event occurred at Lvoff("
the occassion of the Tsar's visit to the o
Great, enthusiastic crowds assembled
welcome him, and the streets were
constant In respect welcome him, and the sureus corated. In response to repeated acclama-tions the Tsar sppeared on the balcory of the palace. He thanked the people for the warmth of the reception, and called for cheers for indivisible, powerful Rossia. It is noteworthy that the Tsar has received an evalion from the Jewish population of Galicia.

#### "TWILIGHT OF THE

From Constantinople Dr. Dillon Instant the public still believe the stories that the public still believe the stories that the Trake are under the Improved that the Allies will capture the Straits. From Soda Fro Dillon understands the a notweethy charge has been reached, a motive that the forward poley likely become an accomplished fast abortly. He believes that a condition Cabinet.

orobable.

Bulgarian stateamen hold that Bulgarian stateamen hold that Bulgarians stateamen of territory, a cachieved by sending 300,000 men to joi he Allies against Turkey.

The duration of Bulgaria's neutrality

trawing to a close, and the conviction galax round in Rome that the "Twilight of the reutons has begun."

reurons has forgum.
Though stubborn fighting is proceeding in East Prussia, it is not believed that the Germans will aim at decisive results there. Western Poland is little better than a unuamire, and further east and north it is thawing rapidly, and a period of mud aimundation follows, in which large tracts of the country are unable to bear he

#### "TO CAPTURE WARSAW."

The following striking appeal, signed by the German General Staff, has been found on a recently-captured German prisoner says a Petrograd message):—

"We are coming near Warsaw, the capital of a district in which for six months of German blood has been poured out, and in which our soldiers have displayed miracles of courage that have excited even the admiration of the enemy.

"Our adversary, conscious of the importance of Warsaw, has equeentrated for the lefence of the city enormous forces, drawing for this purpose troops from the Caucasus and Siberia, but our valorous

petuous attack.
"The German troops annihilate everything in their path like an avalanche. With
the capture of Waraaw will come a favourable issue of the campaign for Germany,
We shall then establish ourselves fringly on
both banks of the Visible and it is necessary,
that the German soldiers should employ all
their military power. Waraaw must be
taken."

#### MINE-WARFARE.

Reuter's correspondent at Paris tele-raphs that in the Champagne district, thich has been the scene of some of the everest operations, almost as much underround as surface, fighting, sappin rounter-sapping, are proceedings ro The swift initiative of the Fren been of the greatest value.

been of the greatest value.

This form of variers is shown by the following instance: "Listeners" in one say the following instance: "Listeners" in one say one of the following a first order to decount the mile and early a first order to decount the mile and the following a first order to the fi

the mine head drought up.

Two Engineer officers and two sappers
advanced to the tunnel, heard whispers,
and realised the tunnel was occupied.

They then returned to the French pit,
which closed the flanks. which closed the flanks.
The charging of the mine at once begun.
The work was very hard and exhausting.
In order not to attract the enemy's attention ventilators were not used and the candles were frequently exhaused through

The Germans heard what was going on, ained blows with pickaxes on the floor of the pit. The Frenchmen redoubles heir energies and before the enemy could heir energies and before the enemy could do anything the mine-head and exploded, destroying the asphyxiating the Germans.

various points, on the Gallipoli Peninsuls, in spite of serious opposition from strong entrenchments, prefected by harbed wire, and was completely successful. Large forces were established on shore before night. The landing of the army, and the sevence, continue.

#### WAR ITEMS.

The Telegrasi says that according to the terman papers, the untrained Landsturm lasses of 1882 to 1880 have been called to

that if Germany were deprived of cotton she would have to use the old black powder of saltpetre, charcoal, and sulphur, which modern guns cannot use. In the next ten months Germany would need 3,000,000

The Ribe Stiffstidende, a newspaper published at Ribe, in Jutland, gives the following story which it says it has received from a reliable source:—"The German cruiser "Karfsruhe" was sunk at the end of 1914 or the beginning of 1915 near the American count. The crew were at tea one American coast. The crew were at tea one evening when an explosion colledny occurred, breaking the ship in two. One coursed, breaking the ship in two. One can be compared to the crew. The other remained aftest for estate time, so that from 150 to 200 were saved by a supply whip accomparing the saved by a supply whip accomparing the saved by a supply whip accomparing the saved by a first contract of the crew of the contract of

Griscal Persolate capty to account of the conference who induced him that without reinflorements it was impossible to hold his position—"see early want man who can do the impossible"—to the moment when the chernal Persola himself, after extending a rallied a hard-pressed division. Mr. Berdin concludes with the remark that while the American Civil War is generally regarded as being one of the most forcely centested the conference of the control of the c suffered by both sides in the Ypres

#### EXCUSING PRZEMYSL.
